Cat

My

Cat

I wonder
what he did~

Good~

Really
good~

Hey!

I brought food!

I made them carefully
this time, so come down!

I picked some
really good
cherries!

I don't want any,
so feel free to
eat mine!

I saw them
on TV!

The taste of
natural fruit!

鬼斬

Cherries..

There are cherries on the plate, even in the food...!

T..Thanks a lot

That day, suddenly, I was the only person not to see him as a cat.

Only you as a

Cat?

I can't explain it, it's

Right now, he's in my room

Ugh

I want to eat Lelouch's meals.

Why is it that Lelouch only appears as himself to me?

Ah, They're connected.

Like Lelouch and

me,

That's right, the important thing is

For example,

Ever since the first time I met Lelouch.

Embarrassed.

These 2 are connected at the branches.

Like this, it's obvious that it's fine to stay together like this

What a childish guy.

I used to think that we were like that, once too.

We
needed
a
reason
to.

Eh

I ate ittt!

-AH

Don't say it
like that!

Ahh!

I'd be happy if you at least were able to eat some.

Presents!

They look tasty.

A girl?

!

My boss gave them to me.

Cherries?

Does he not notice that every time he comes back, he's brought something?

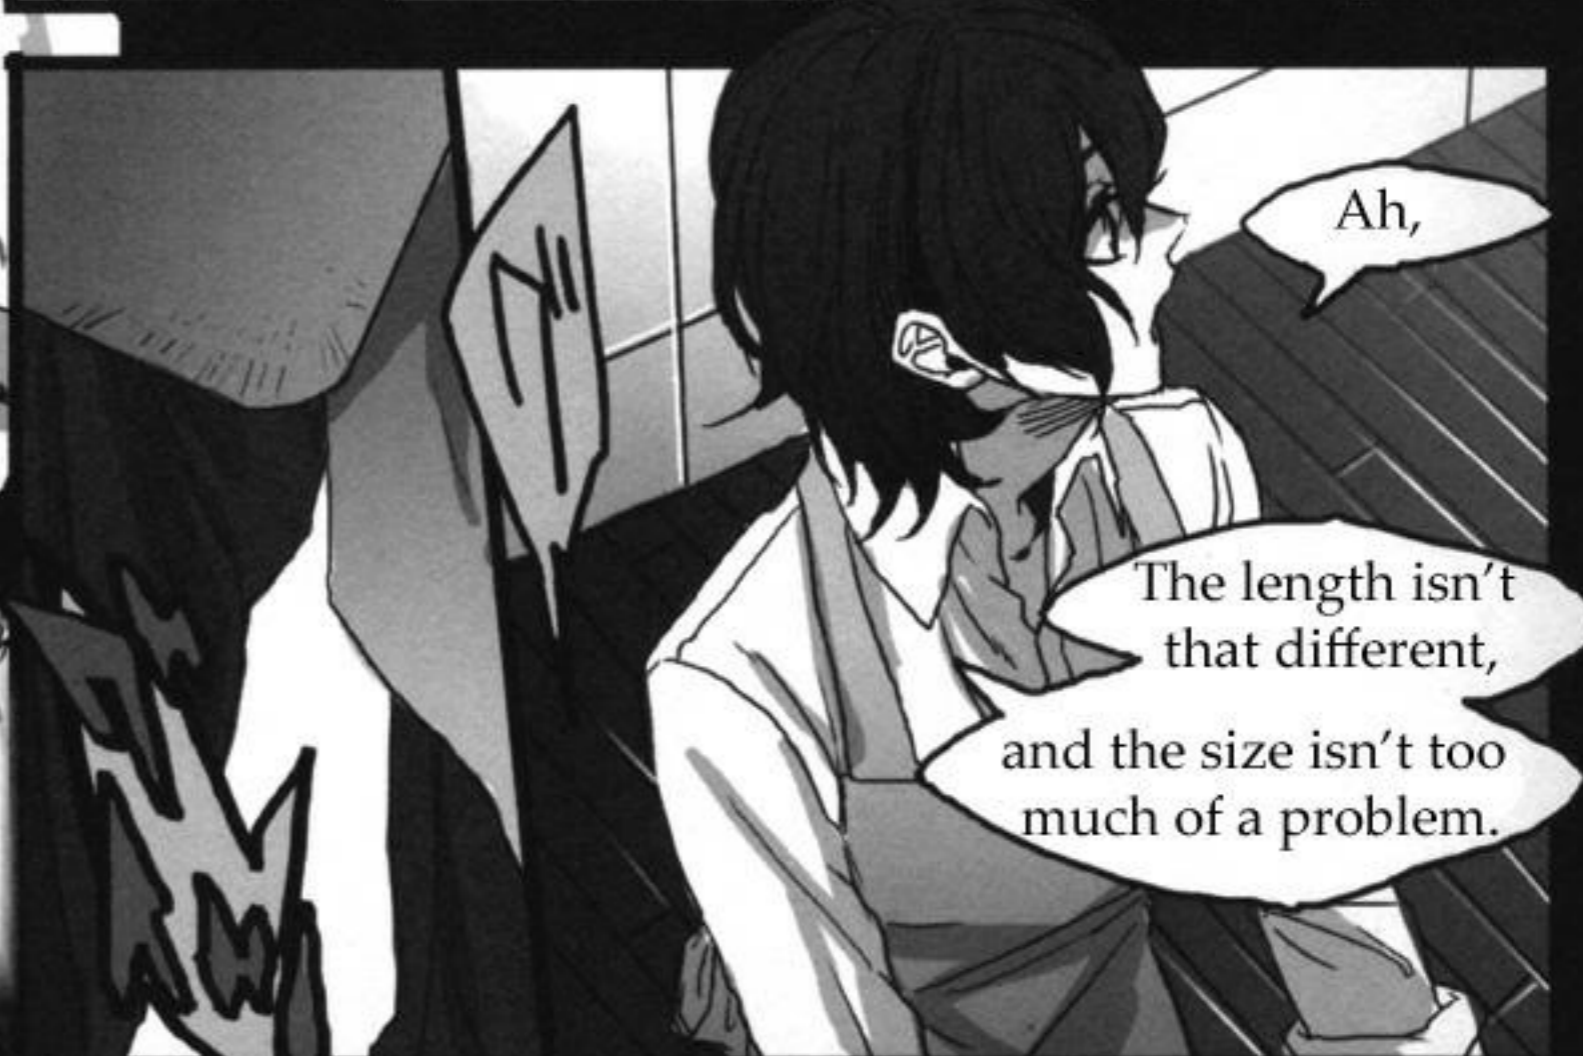

What?

Nothing..

A little sad.

Ah.

Wa...

Want my...belt?

...Ye-

Yeah...

I
WANT
TO
DIE.

Oh
shit.

No, if I die right
here that would be
too petty of me.

What am I
saying, this is
humiliating.

Even though
I'm preaparing
for a

WAR.

Lelouch's legs
are really pale...

Why.

What did I do
to make this happen
again?

Even though I
left Lelouch out of it...

Wait, why did
Lelouch even do
that last time?

Something else

like this happened
before.

Again.

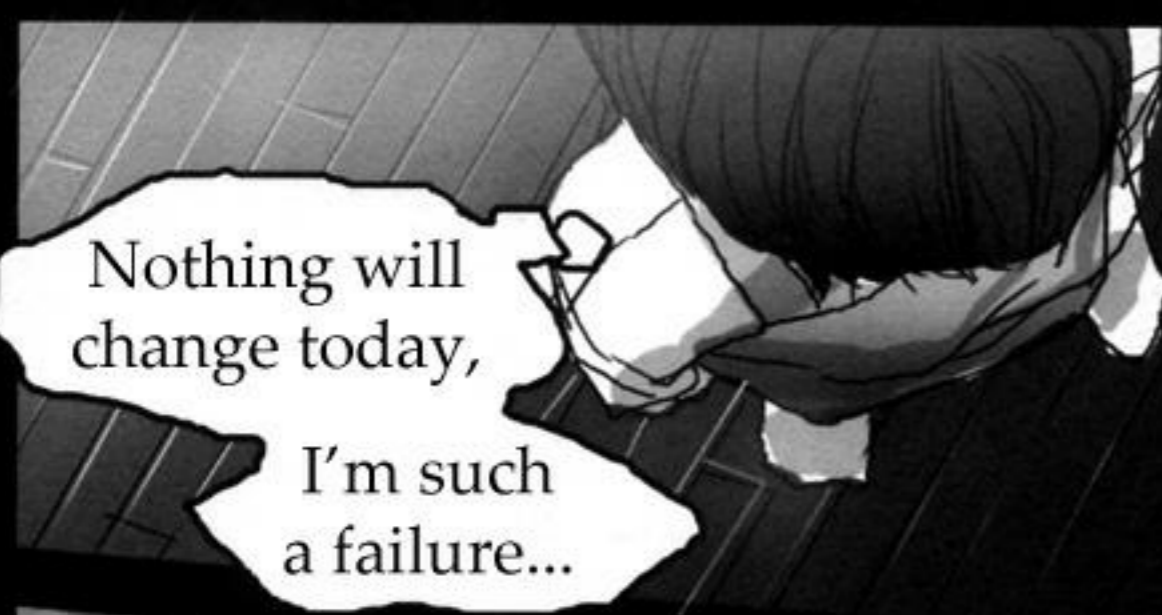

...Suzaku.

Don't come over here!

Uwah!

Not good
Don't think
about it!

Don't remember!

Nothing will change today,

I'm such a failure...

Yeah...

that's how it is.

This is normal.

Rejected.

Furthermore, it's just

impossible for me.

Sorry,

Going to the toilet.

Even though Lelouch

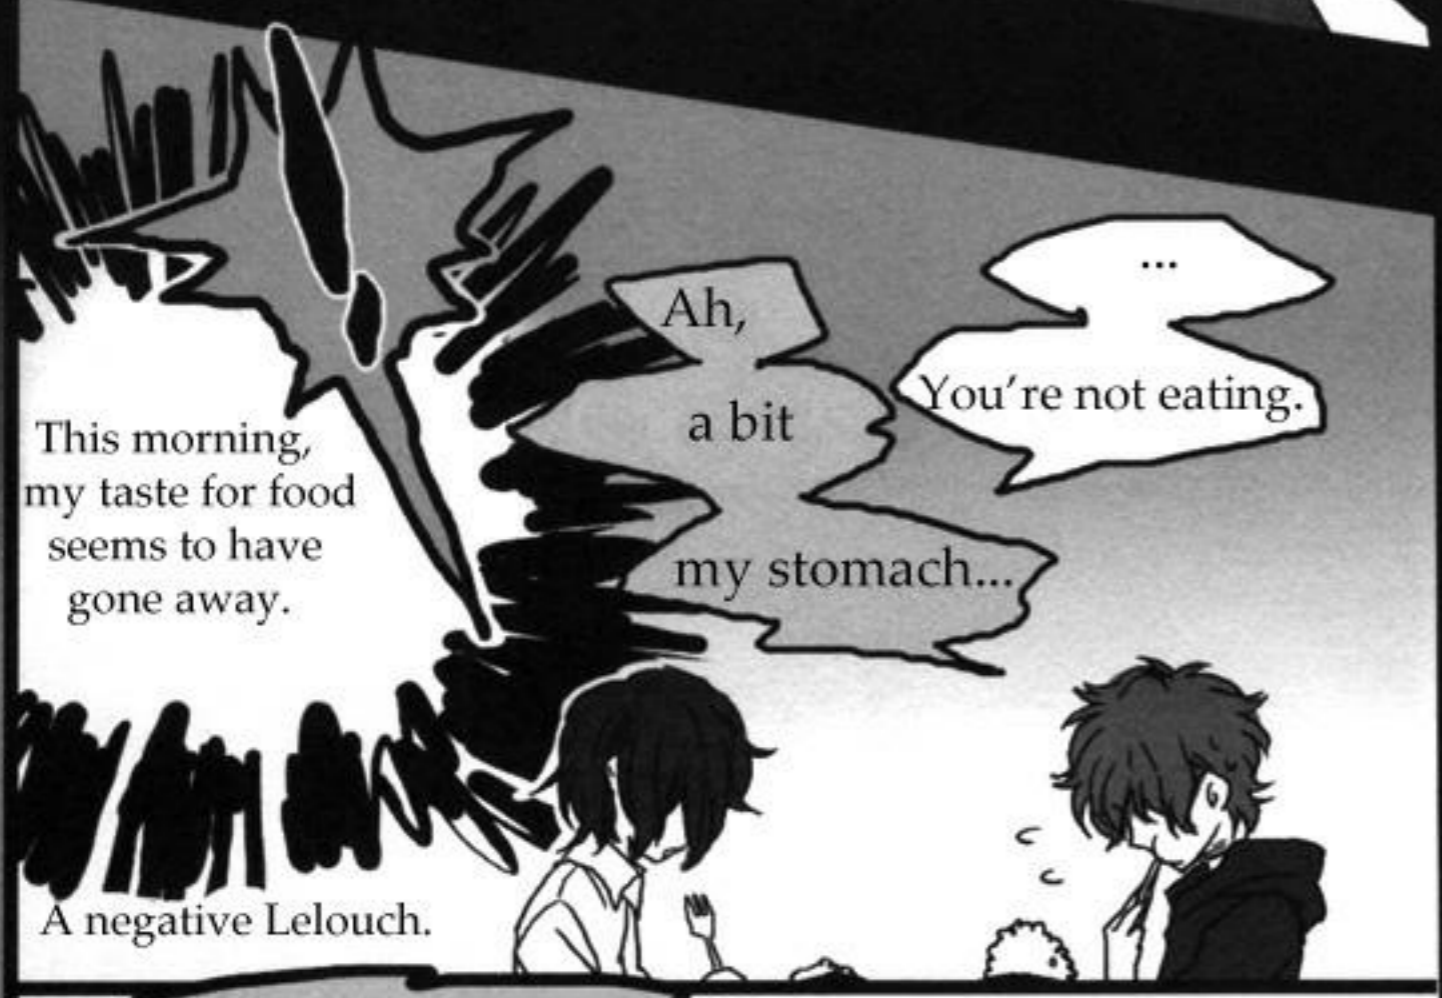

is

here,

I feel really disgustingly sad...

He's right next to me...

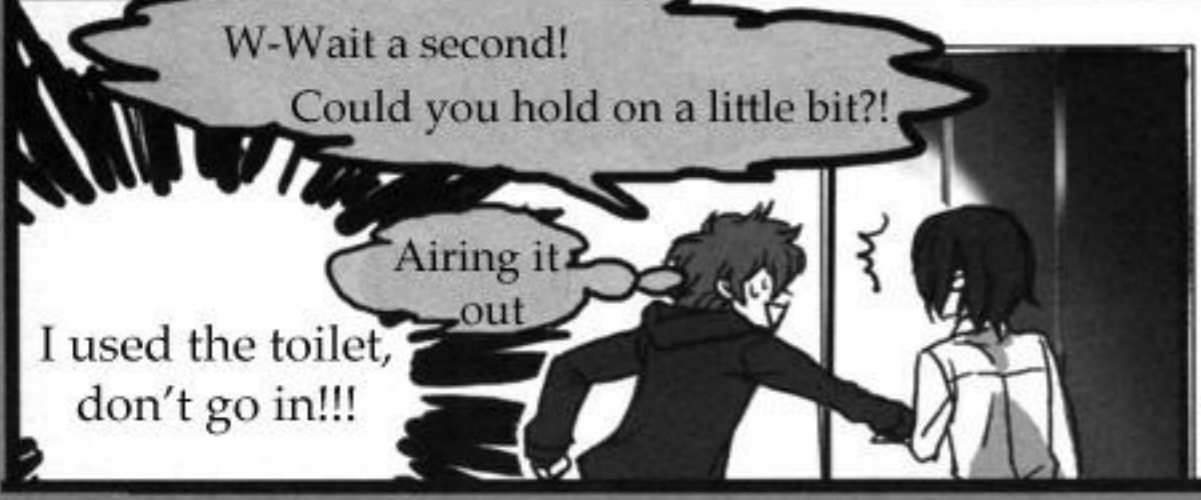

This morning, my taste for food seems to have gone away.

Ah, a bit

You're not eating.

my stomach...

A negative Lelouch.

W-Wait a second! Could you hold on a little bit?!

Toilet.

Airing it out

I used the toilet, don't go in!!!

-Negative Lelouch-

All I think about is you.

I folded up your uniform for you,

Yeah...

It's been a while for me, too...

But, really...

this is...

Only about..twice since I was born...

This is my first time ever seeing

you sleeping so soundly.

You have a fever.

But most of the time,

Lelouch was here to take care of me.

This is sort of

relaxing in a way.

Maybe because

I'm a cat.

Ha,
Fufu

Really?

If you sleep for a while,
it'll calm down.

It's bad but,
Lelouch,
...isn't it contagious?

It isn't.

Nn...

it's no good.

My voice feels awful...too.

...There's really nothing
I can do.

But I can't
recieve it or go
outside to get it myself.

Suzaku also
can't speak and
looks pretty awful.

So I can't feed him anything,
and I can't call

anyone to come,

But what worries me
is that he hasn't eaten.

Maybe I should
order out.

Wa-

-ah

So
cute,

My cat

Ahh

I hope you're not pushing yourself too hard. Just text me if need anything!

I brought you things you might need but,

Ara, Lulu-chan! Are you well?

are you ok?

Even though President can't see me, if you look at this situation...

Am I a pervert...?!

Nn

Ah, She only sees me a mere cat...

What a shitty nickname...

I'm still wearing it!

If you are, well, that's super-duper great!

...but you know

But, Suzaku is the one having fun with this, he's the real pervert.

Want to stay at my place for a while?

Lulu-chan?

I can take care of him at my house.

I think it'd be a good idea, it must be hard to care for a cat when you're sick.

...Uhh!

...No, I'm doing fine here,

Sure you are.

It'll be a bit lonely, but you can handle it.

...Uhh!

I feel like

I'm about to cry.

Well then, call me if you need any help, ok?

Do you have the same feelings as I do?

Am I special?

Or is it

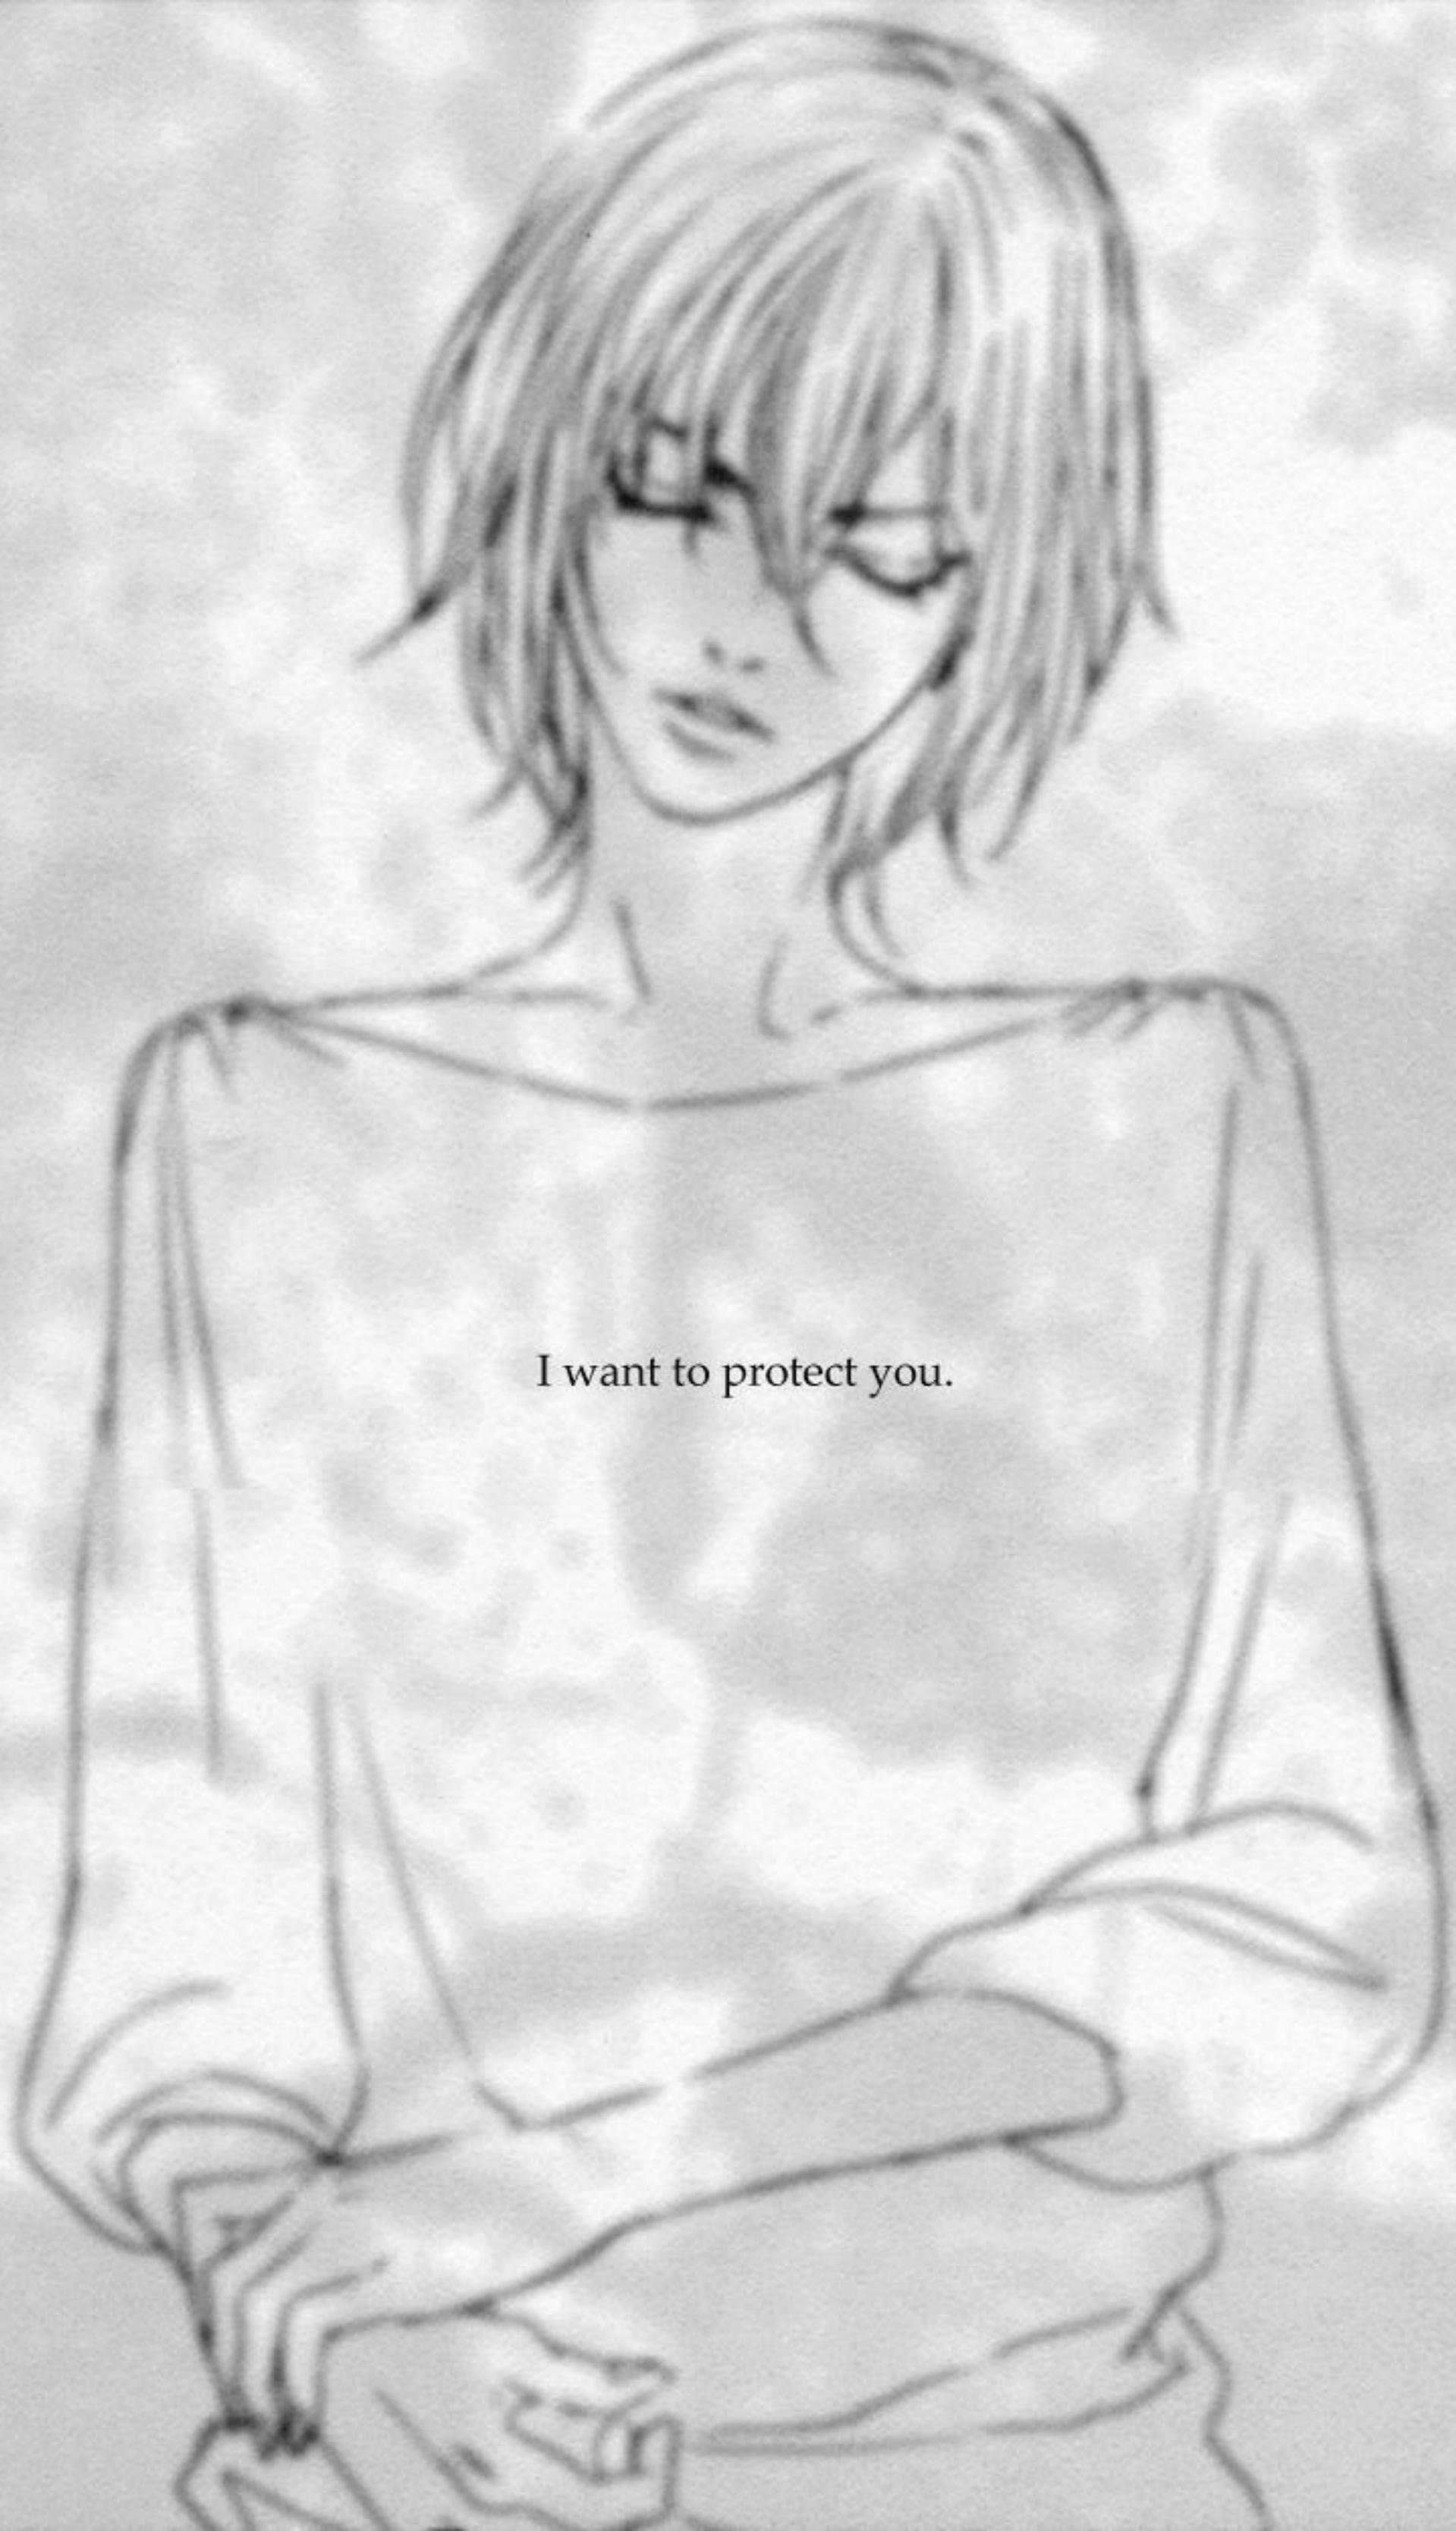

because I'm the only one who knows your secret?

I want to be together.

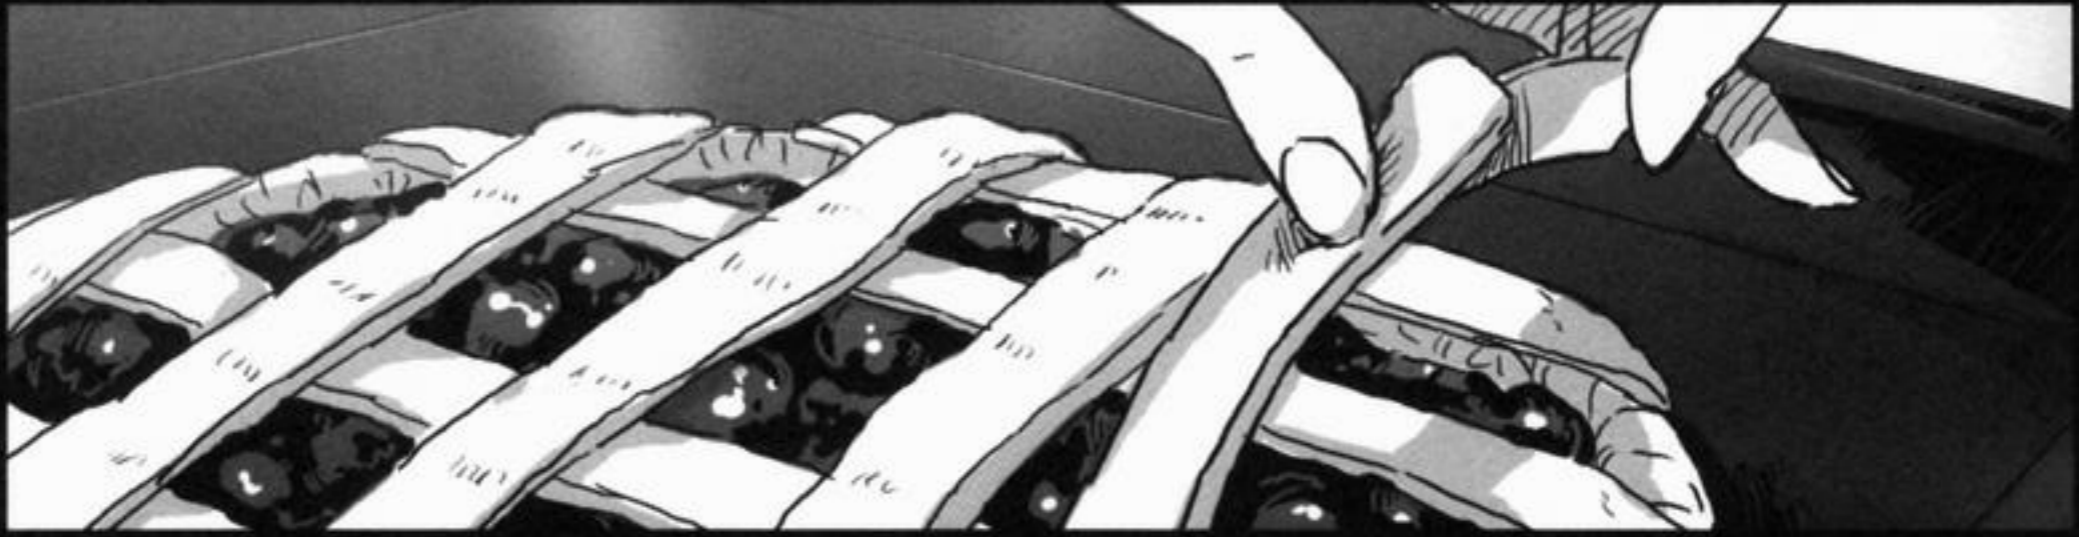

I want to protect you.

In a world, where I can save you.

It's precious, so precious.

I need you.

Is the
war ever going to end?

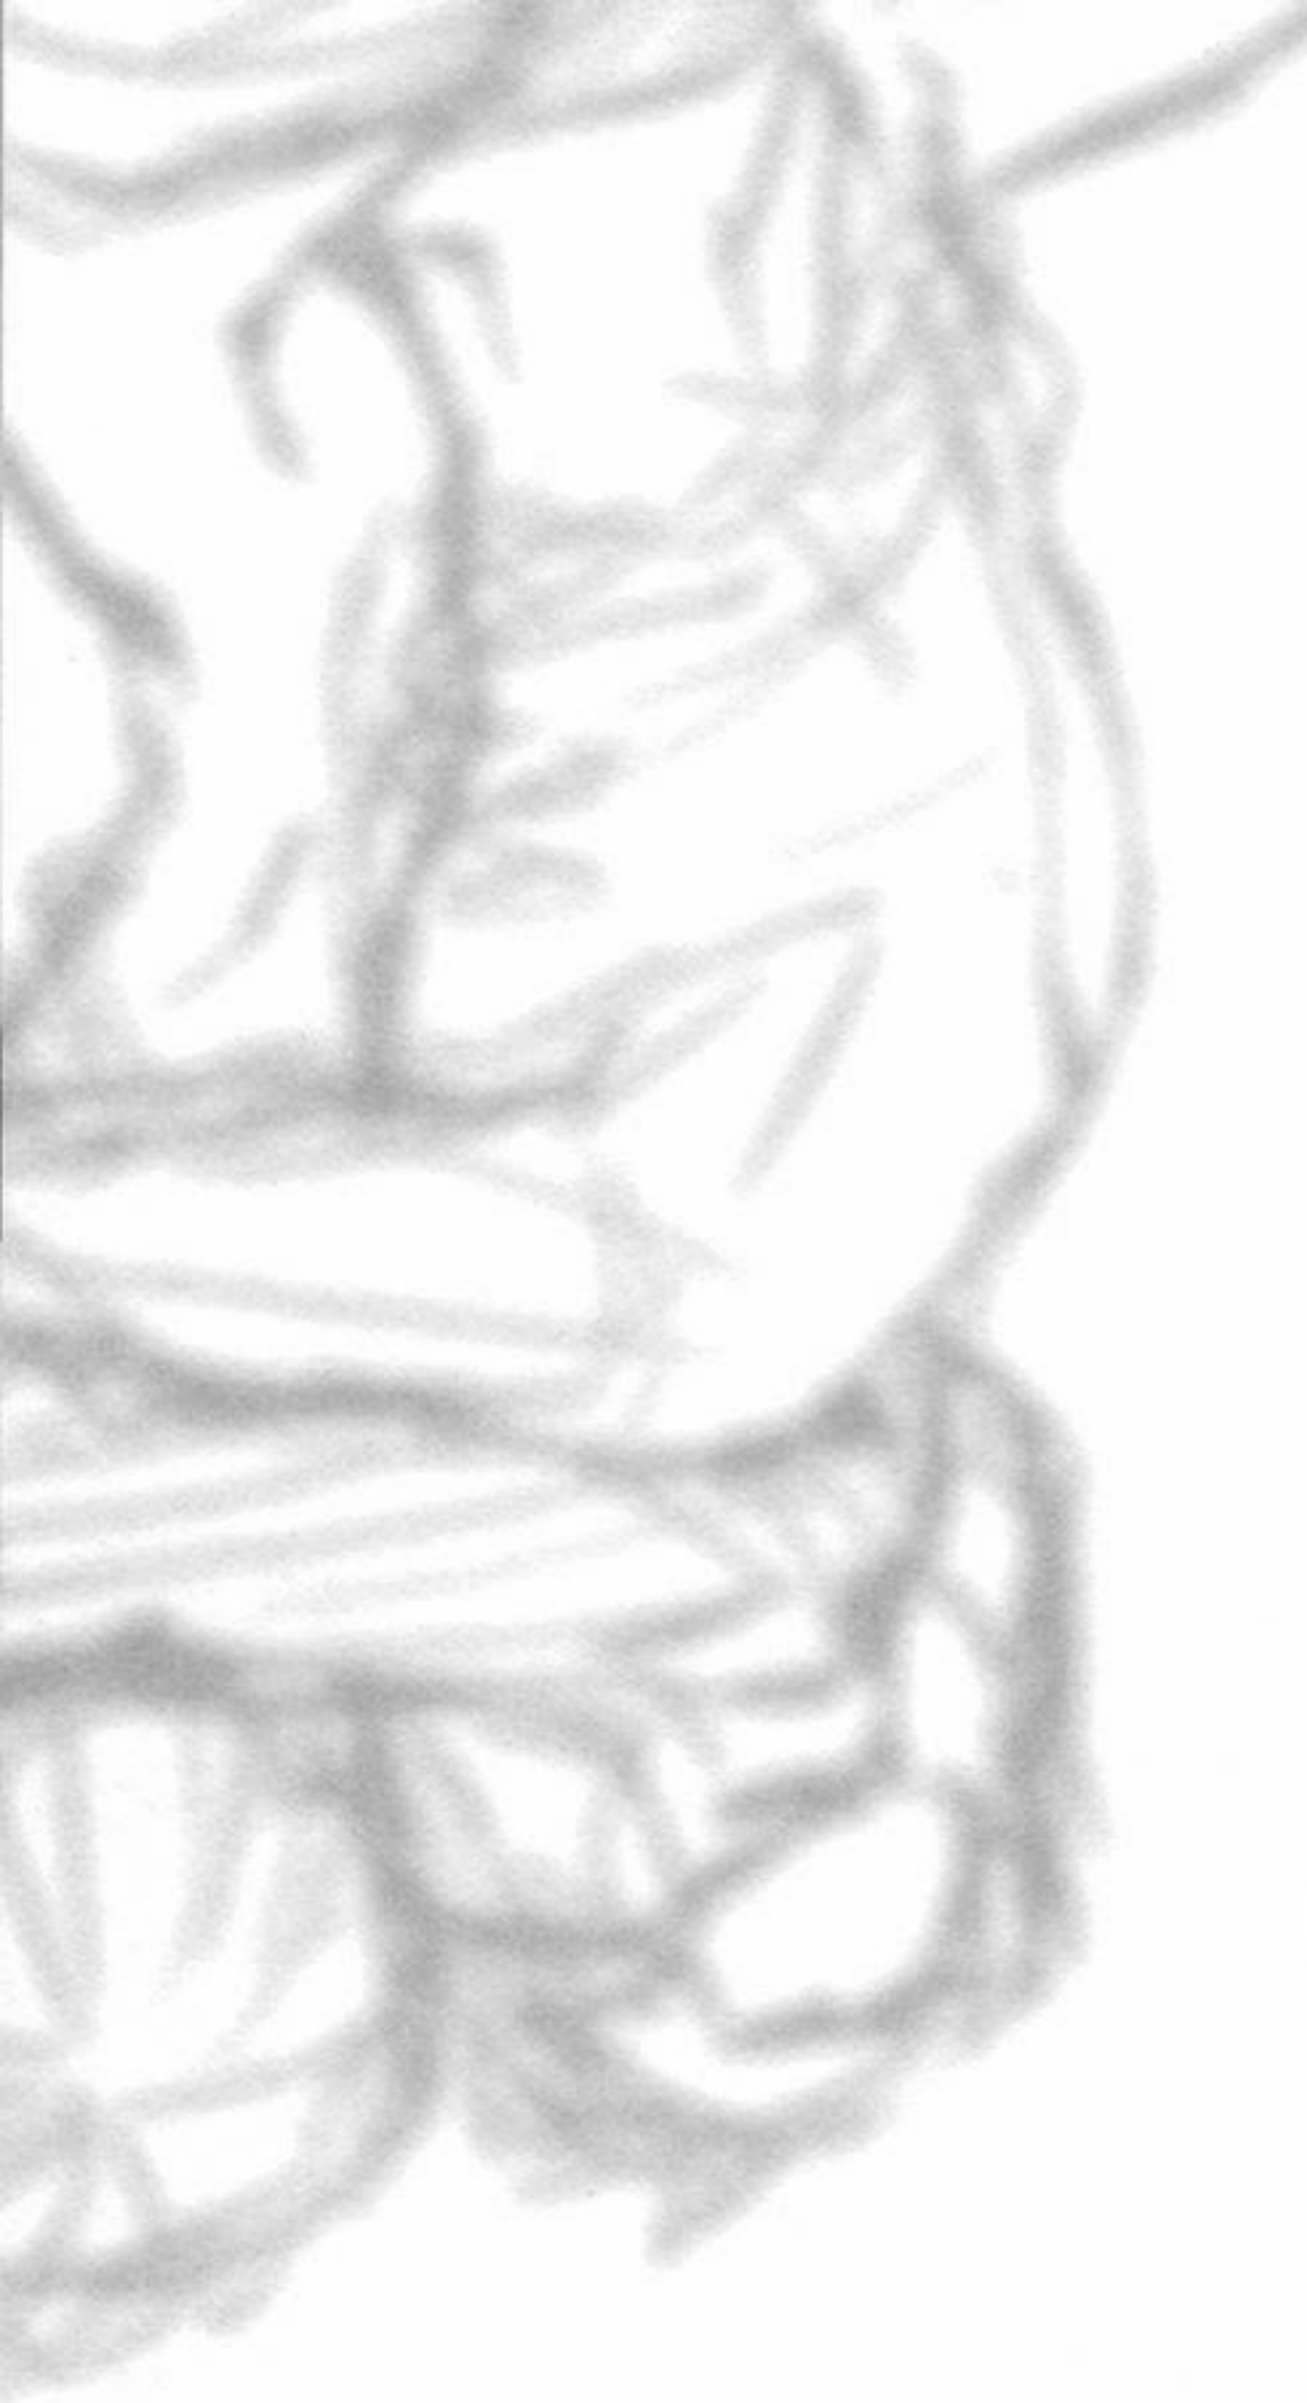

So, please

Don't make that face.

It's not.

Stay here,
