

Every time I think about him, I just have to...

Mngh..? Oh god...

What IS that boy doing..?

Oh, heh...

He's growing up, it seems..

Hah! Agh..? A-Almost...!

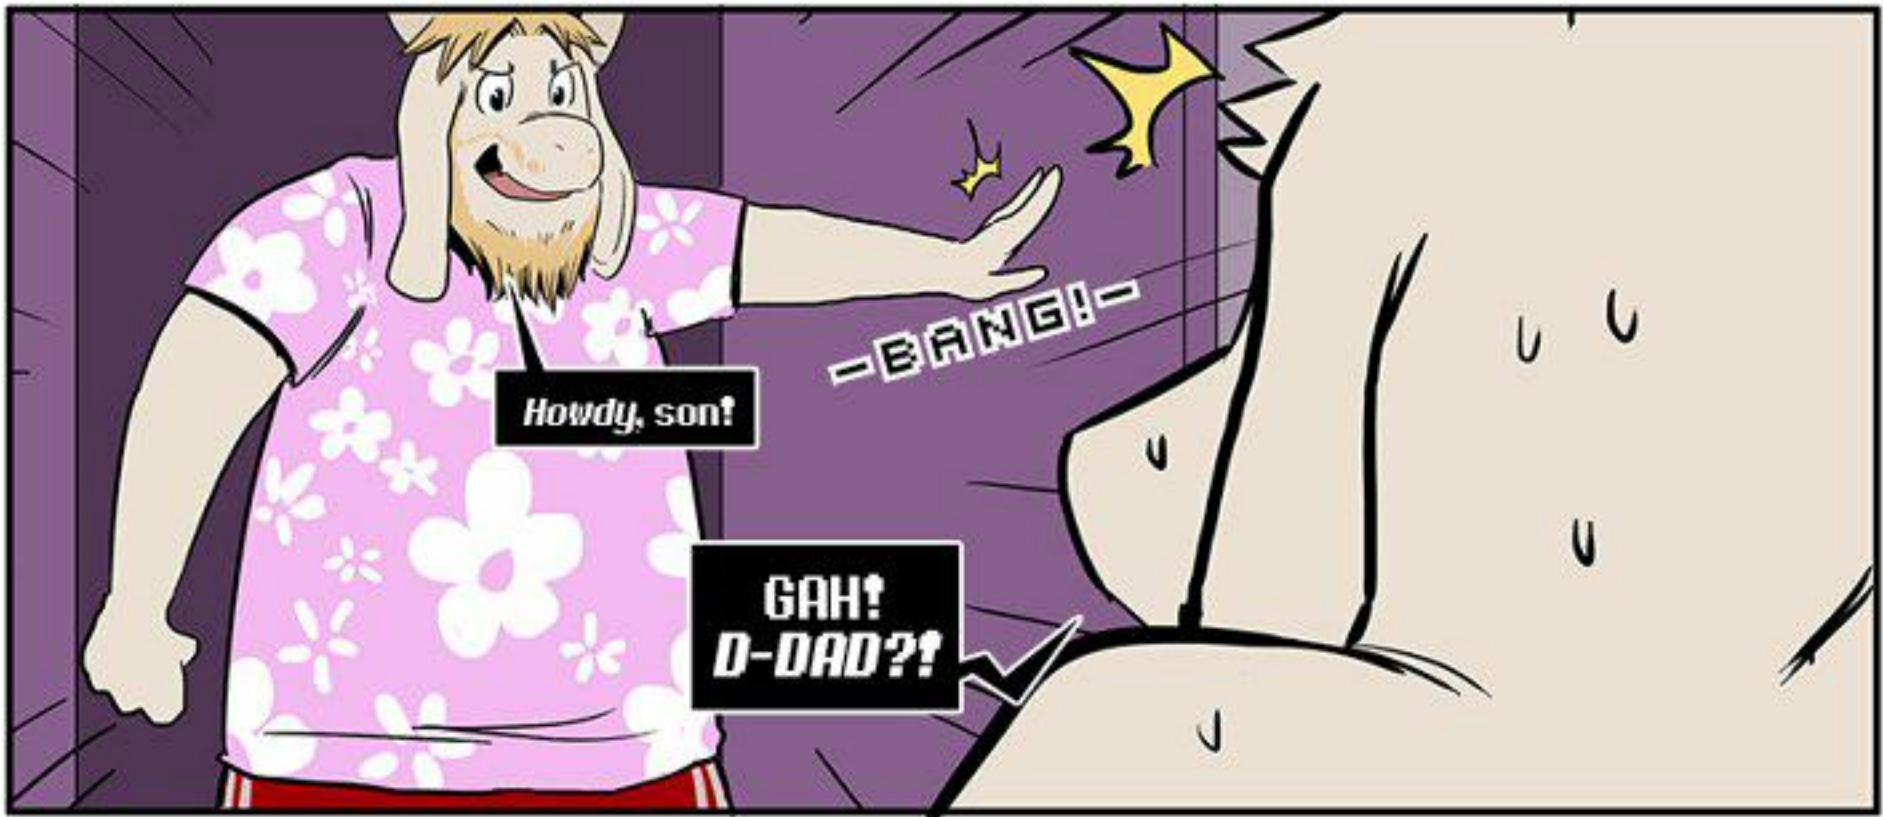

-FAP-  
-FAP-  
-FAP-

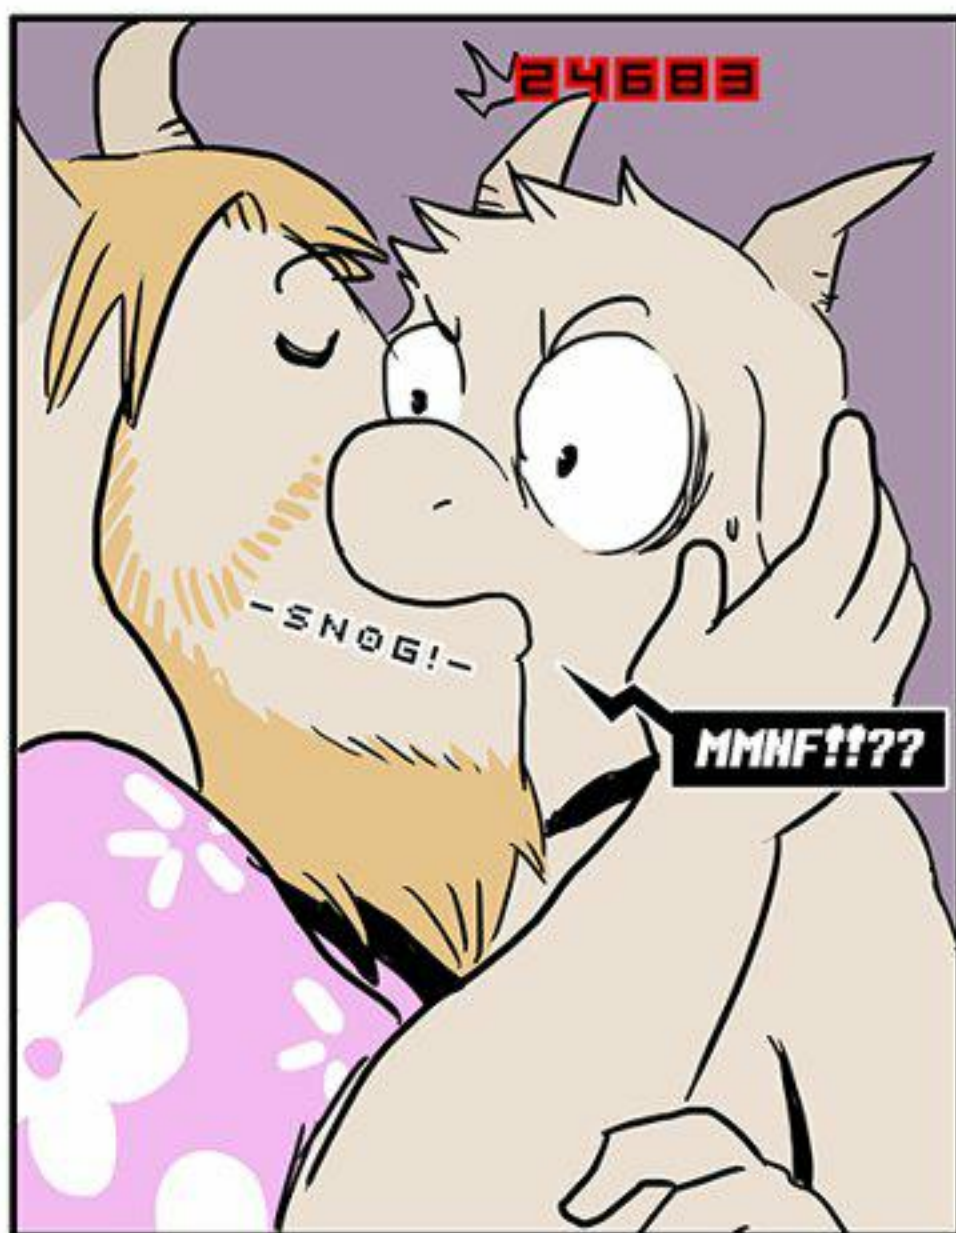

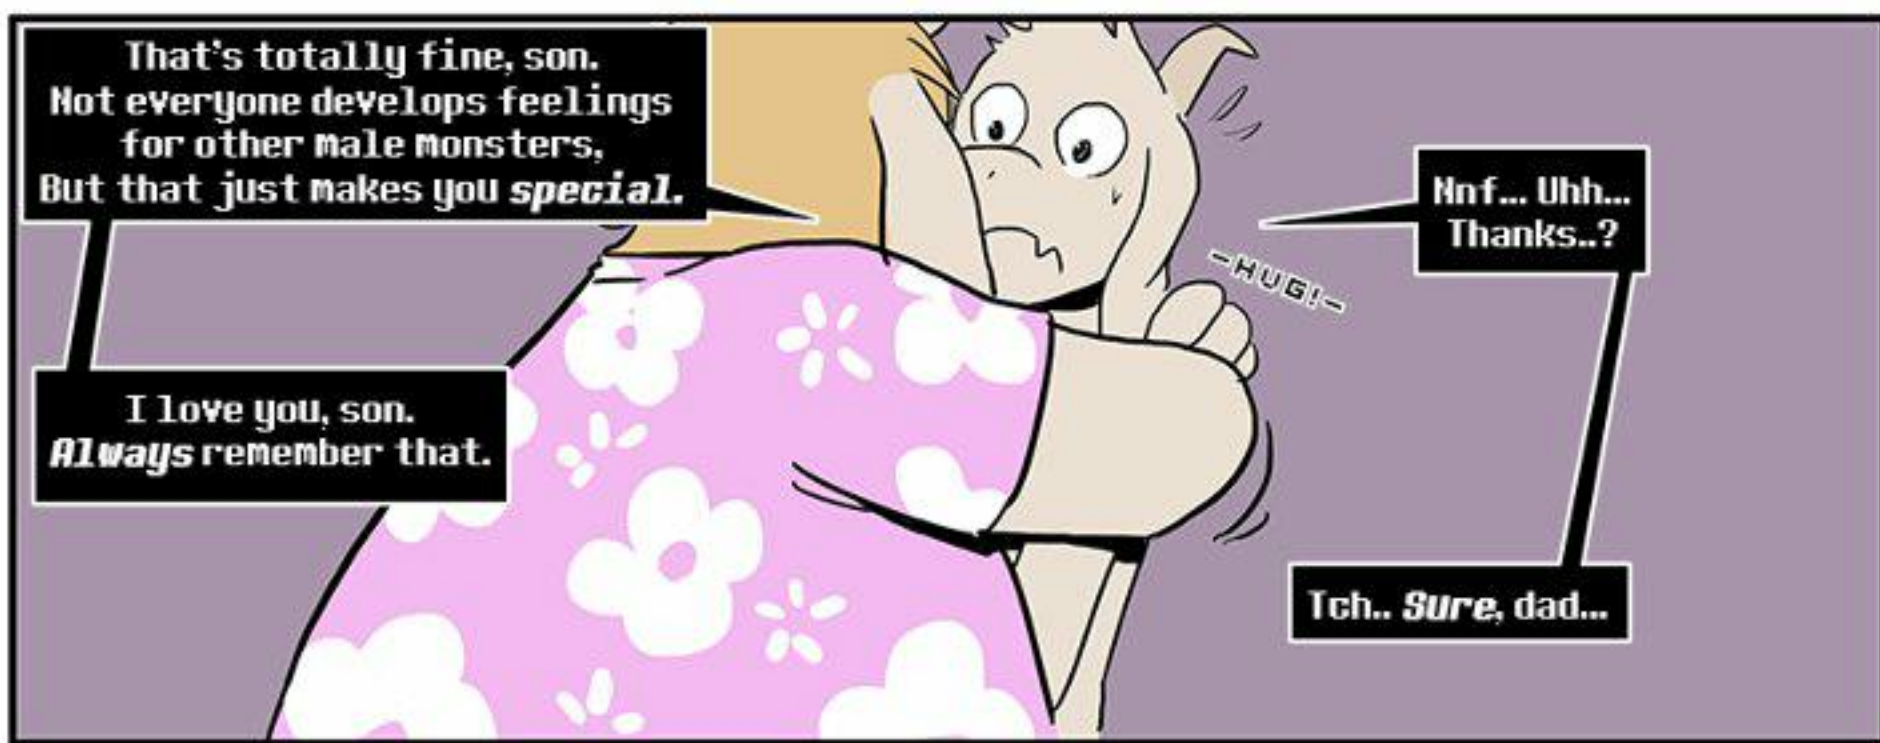

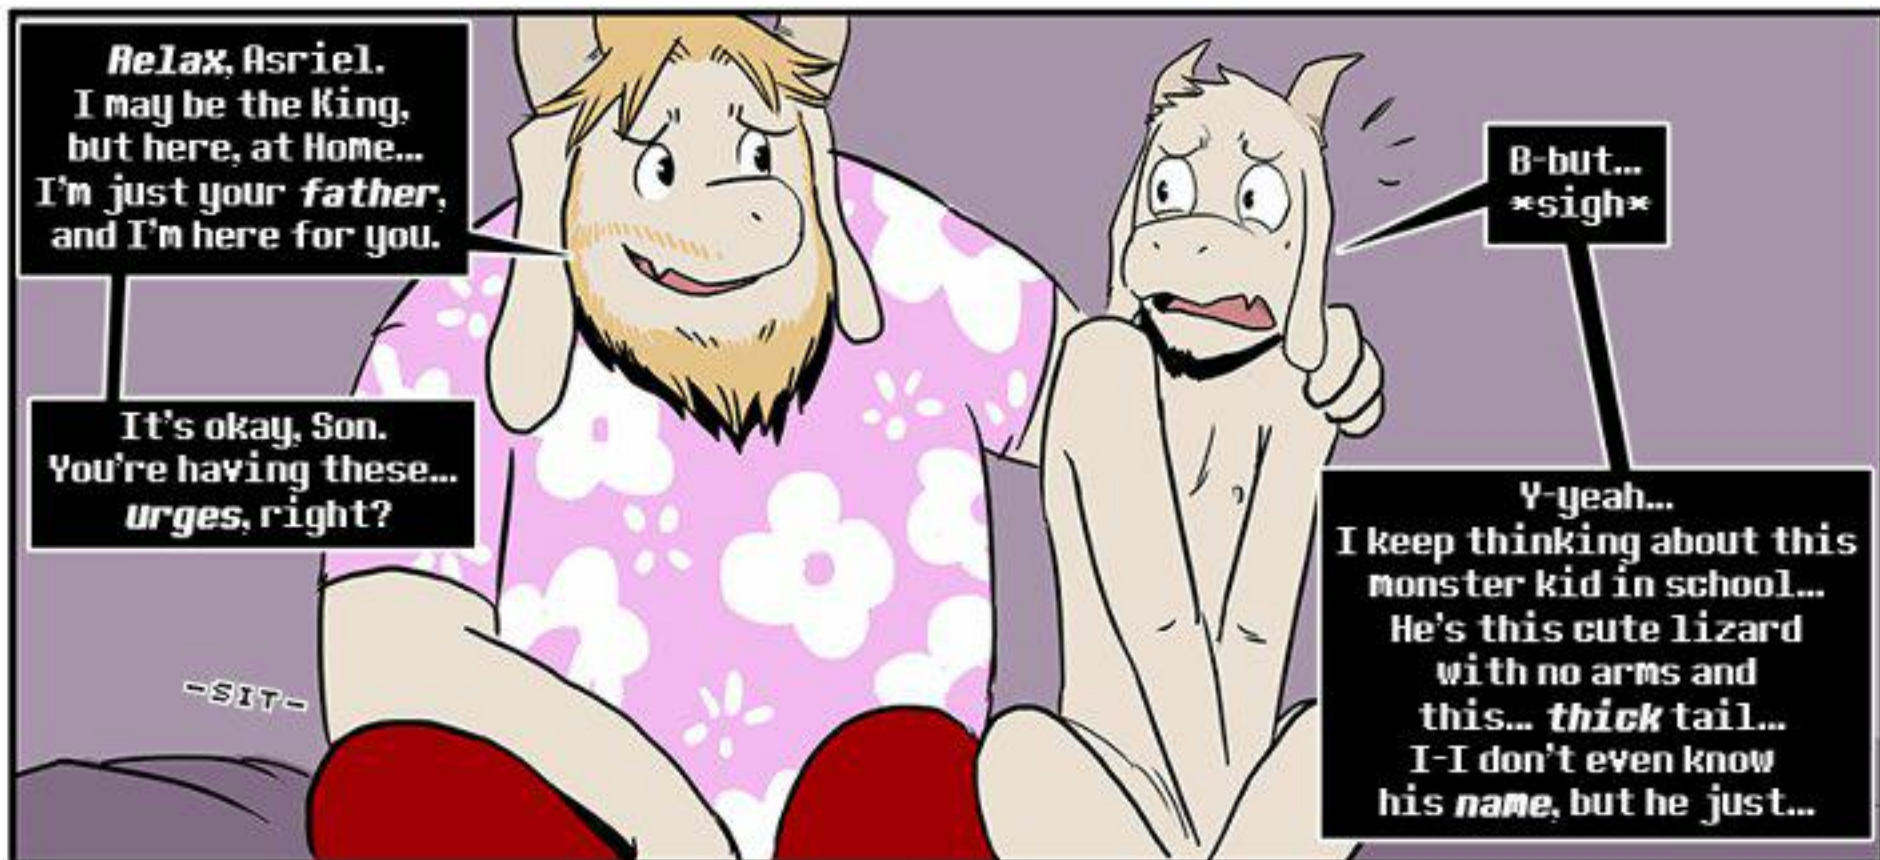

♥ NGAAAAHHHHHHH!?!?!? ♥

-SPLORGE!-

What the *fuck*?!  
He's Kissing me!

He's...  
Kissing me...

He really  
*does* love me...

Let me help you, son...

O-okay...

A few moments later...

Holy *crap*, dad!  
You're *Enormous!*

You've still got a couple  
of years to grow, son...  
I know you'll get *just* as big.

Now, come and sit  
on Daddy's lap...

This is awkward...

Don't worry, son...

Just relax, and bear down on it...

A-allright...

Agh..! It... Hurts...

-POP!-

Just give it some time, son. You'll get used to it.

A little later...

Oh god... Dad... It feels so good..!

Harder, Dad... Please..!

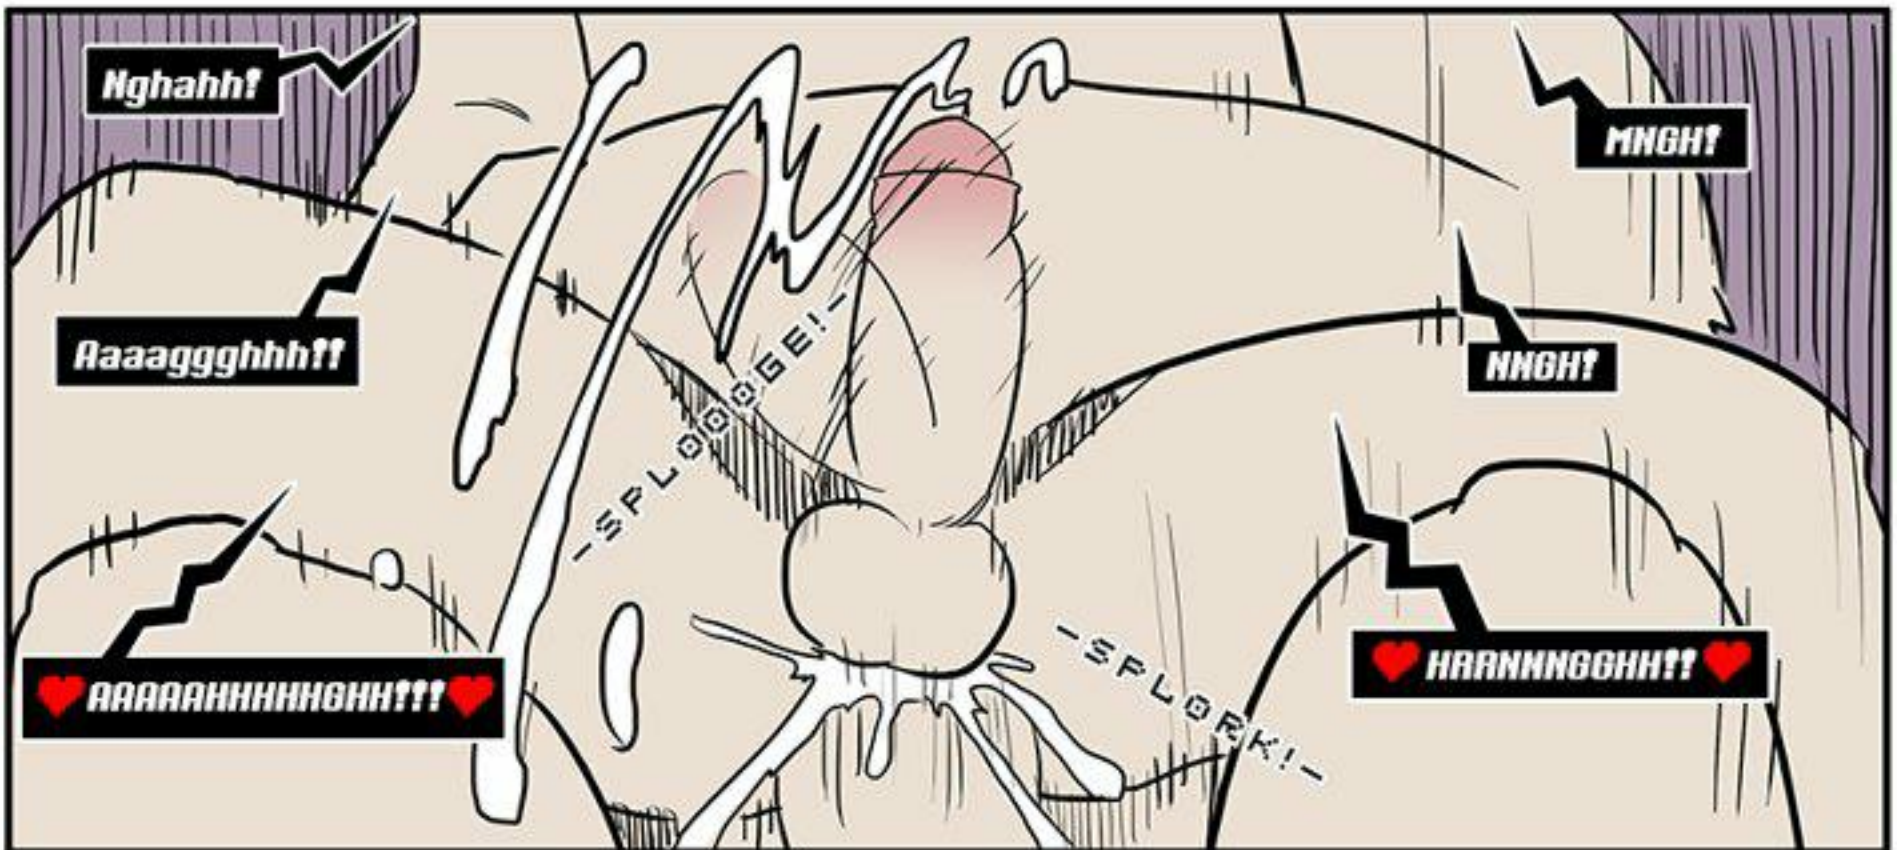

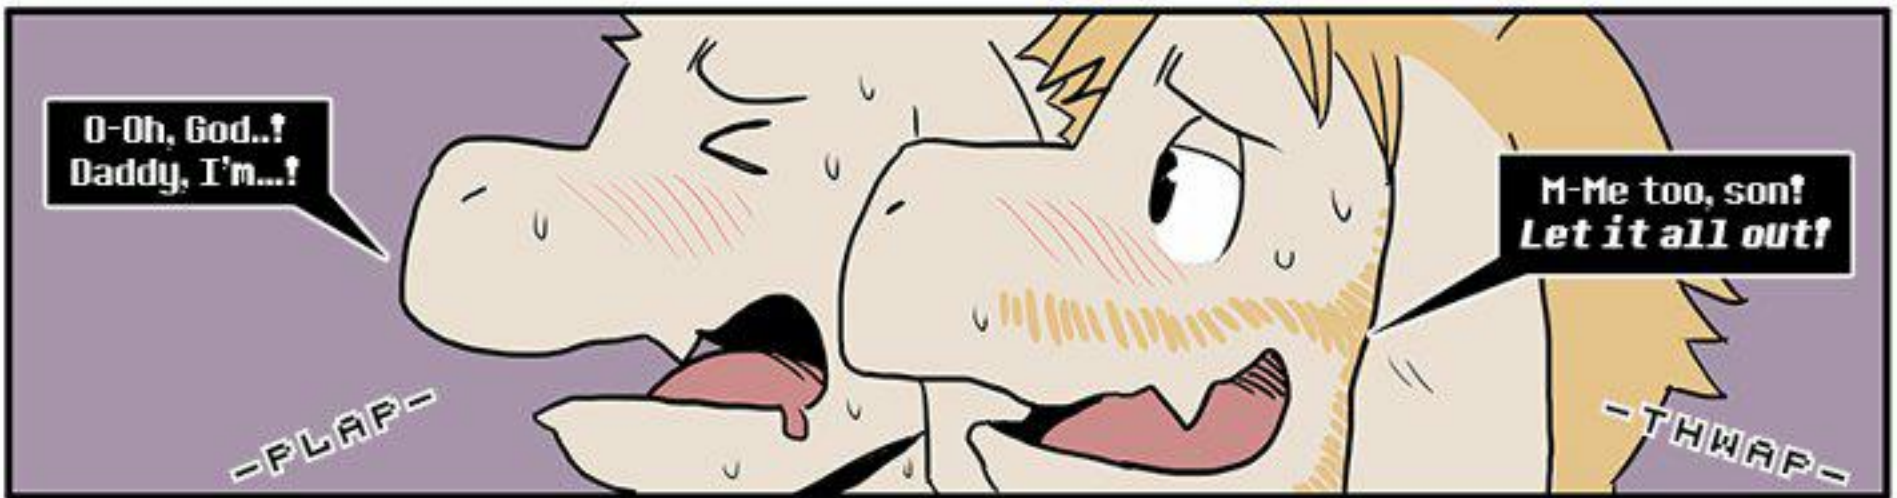

Nnf... See? I told you! It feels good for me too, son...

Ngh... As you wish, my prince...

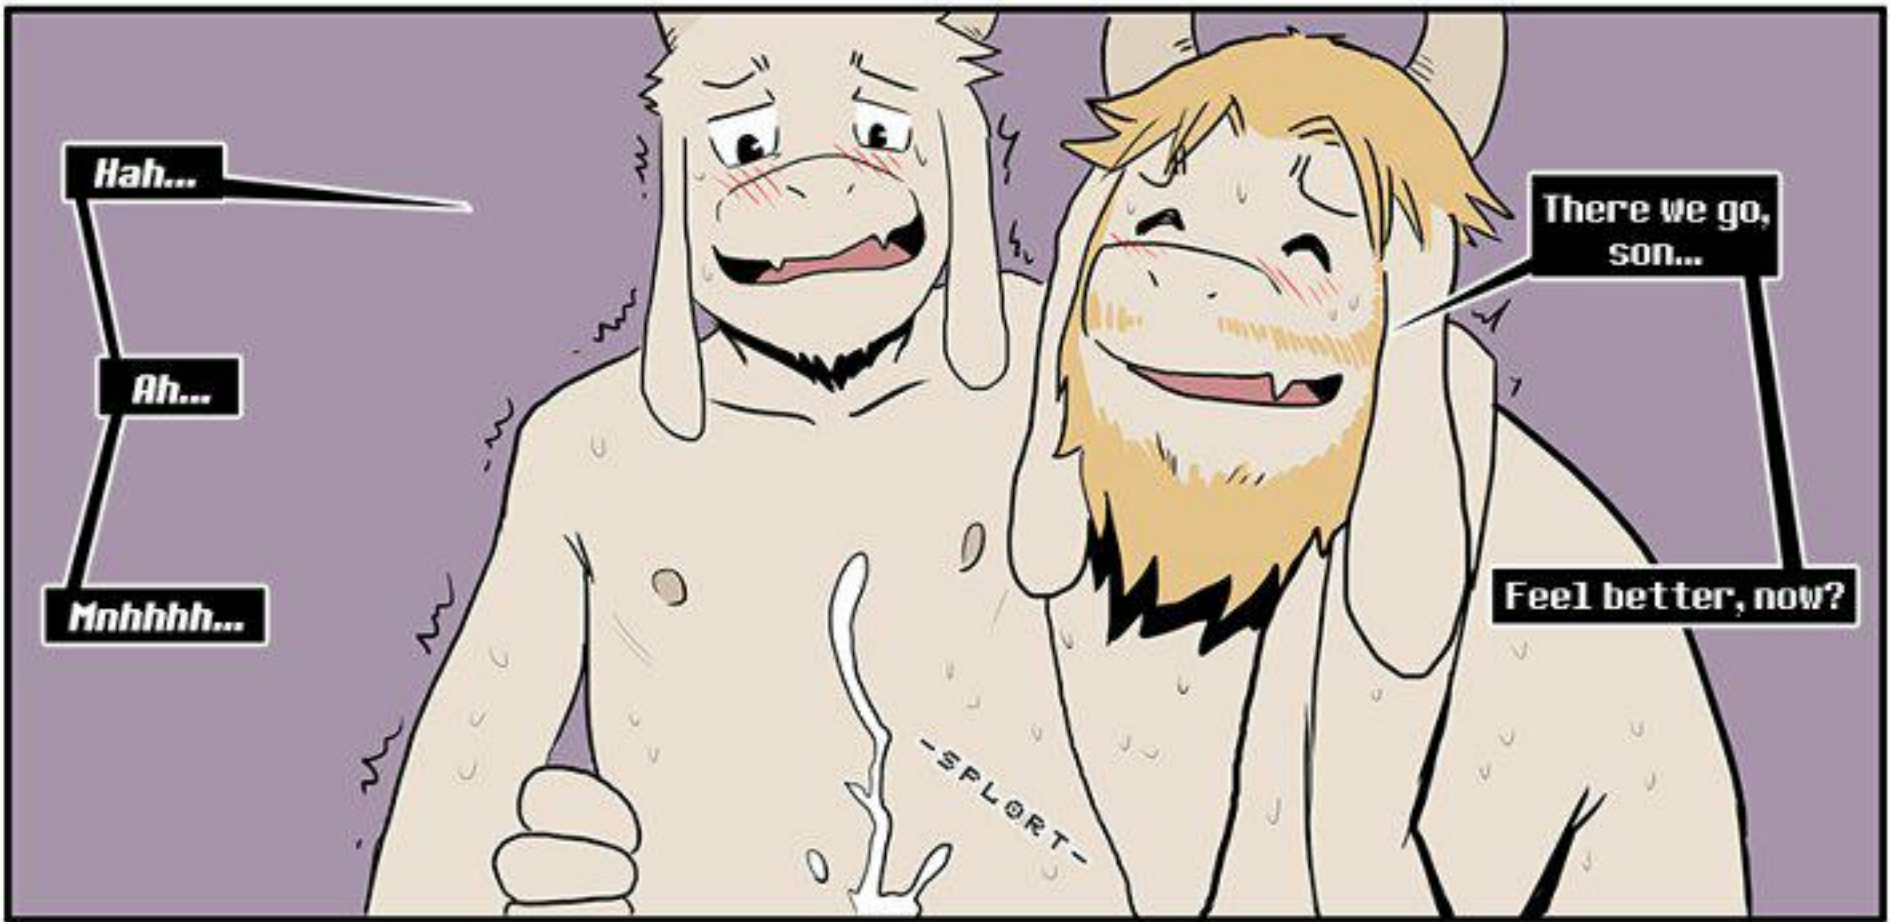

-BOUNCE!-

-THUMP-  
-THUMP-

Hah...

Ah...

Mnhhhh...

There we go, son...

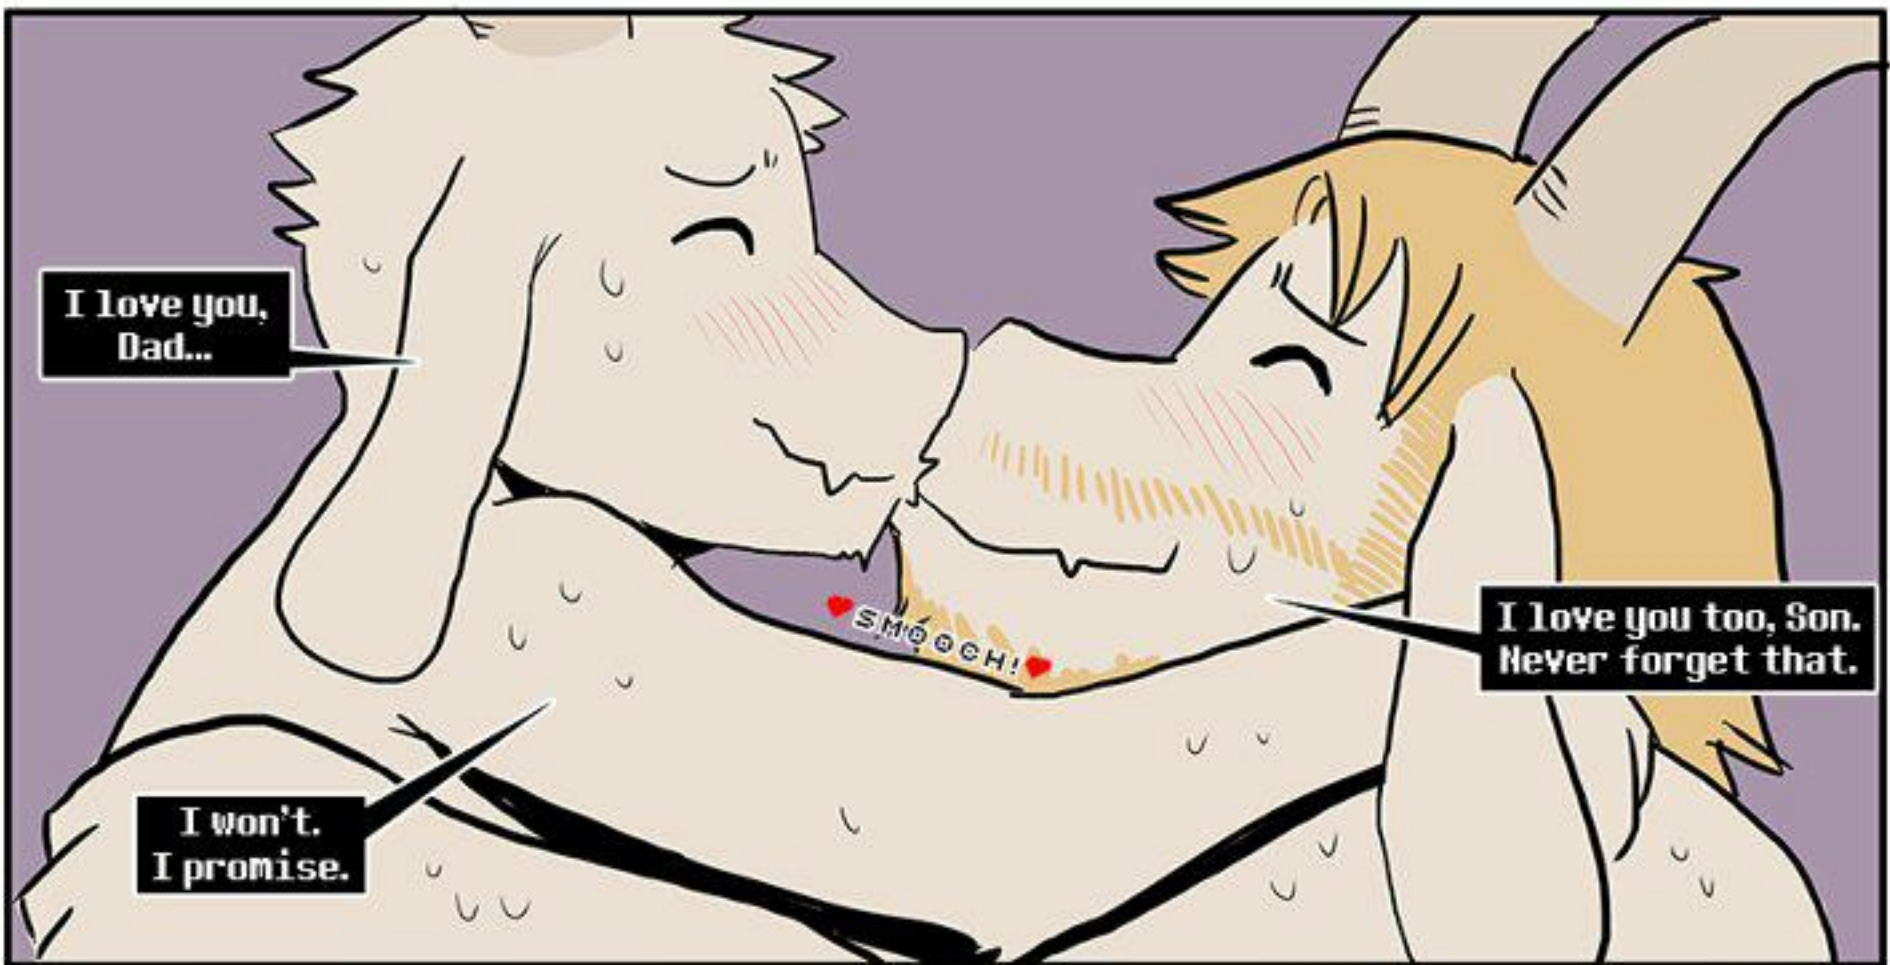

Feel better, now?

-SPLORT-

Thanks, Dad...  
I feel *much* better, now...

That's my boy...

I love you, Dad...

I love you too, Son.  
Never forget that.

I won't.  
I promise.

SMOOCH!
