

# TWINS

Blue Exorcist Fanbook (YUKIO × RIN)

Now I just get Rin to drink this, and...

Clatch

It's done!

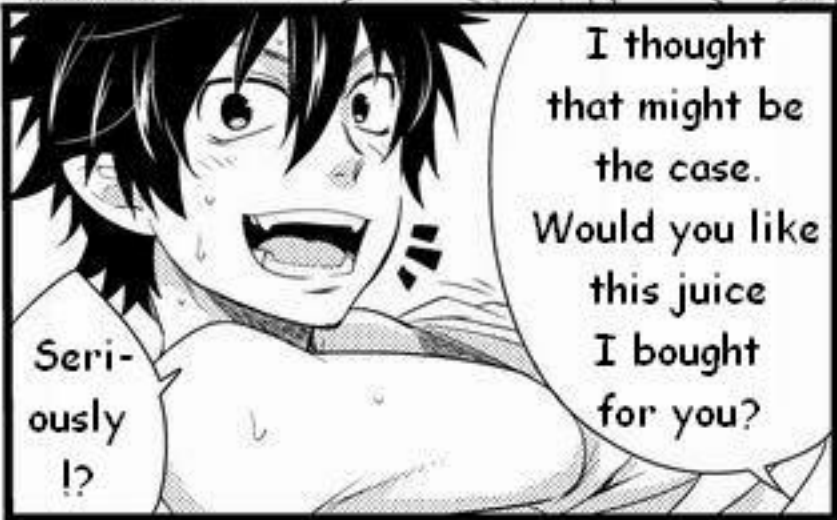

Good ...

I'm baaack

Ah!

Seri-ously !?

I thought that might be the case. Would you like this juice I bought for you?

Geez, my throat is so dry too

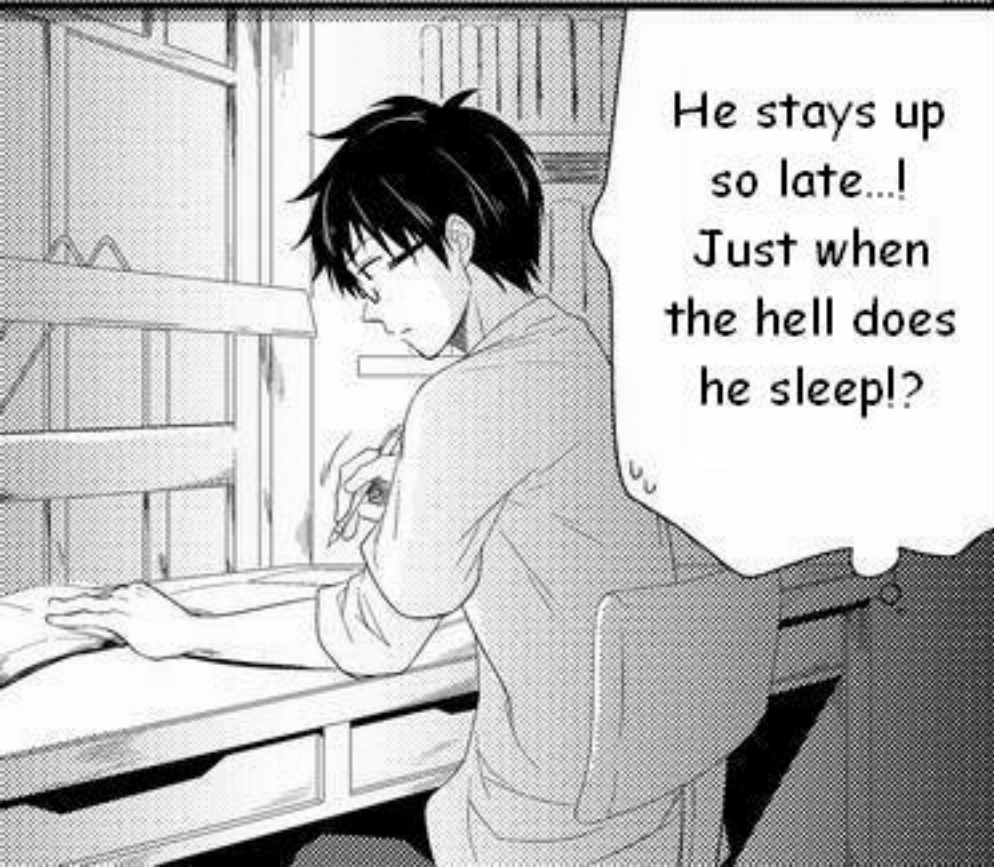

Welcome back

Haaa, it's so hot! I'm all sticky with sweat! Gotta hurry and get changed

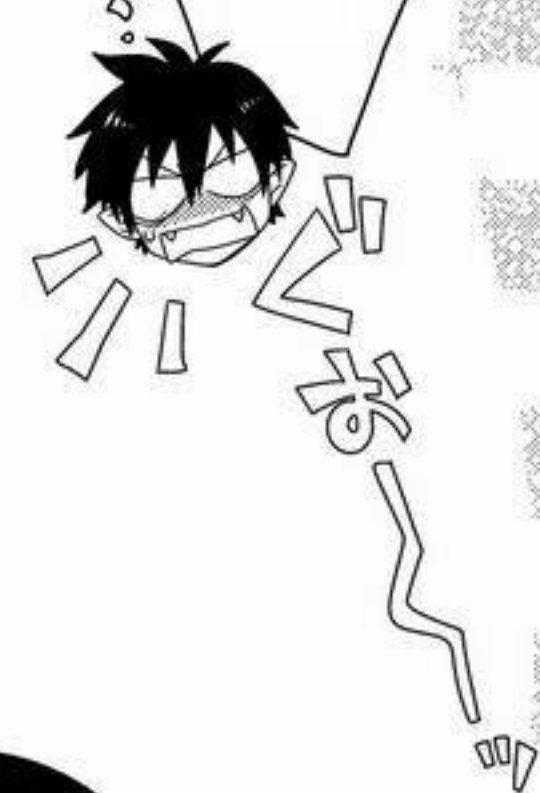

...This?

SFX: Sound of being aroused

Uuuuoh!!!  
I need to  
jerk off  
so bad!

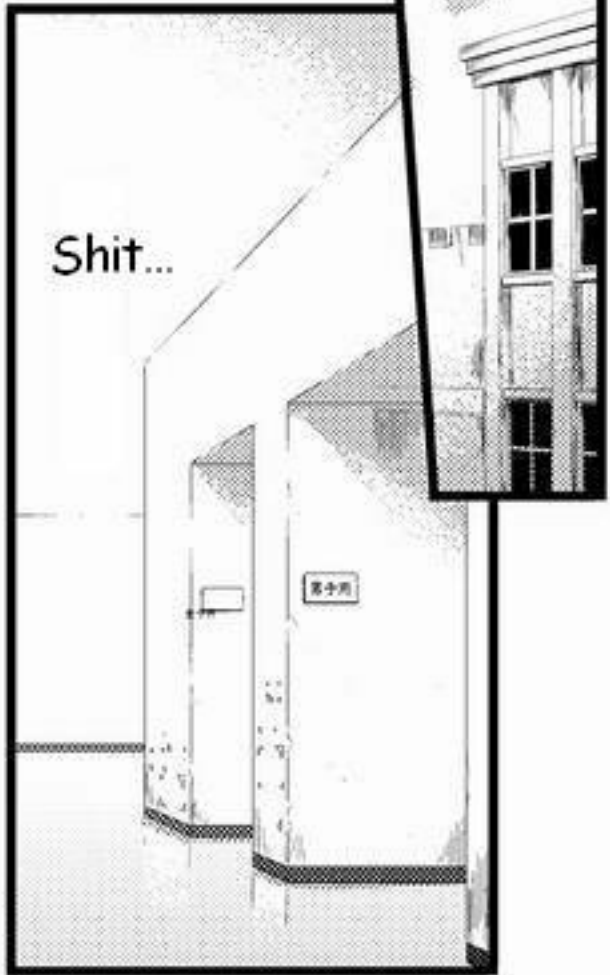

Startle

Ah, Rin.  
I'm on  
my way  
home  
too

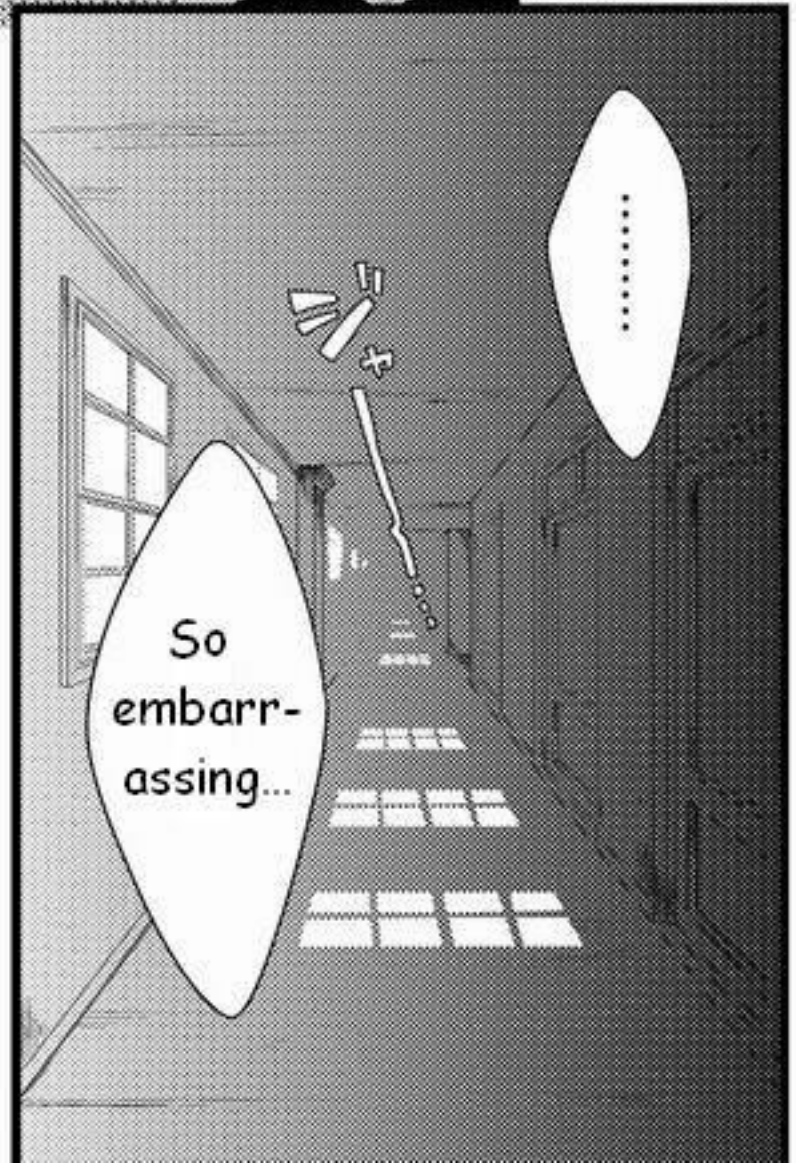

Where  
was I  
looking  
just now!?  
I've gotta  
calm down!  
Just calm  
down!

# FLINCH

Uwaaaa!  
Yukio!?

Since you've awakened as a demon, it seems the strength of your sex drive has grown beyond that of a human, just like everything else

What is?

But, Rin... This is quite serious

Up until now, it was enough for you to find release once every three days or so, right?

Huh!? How the hell do you know that!

You just had to bring that up ...

Uu...

If we let that happen, it's possible yet another child of Satan may be brought forth

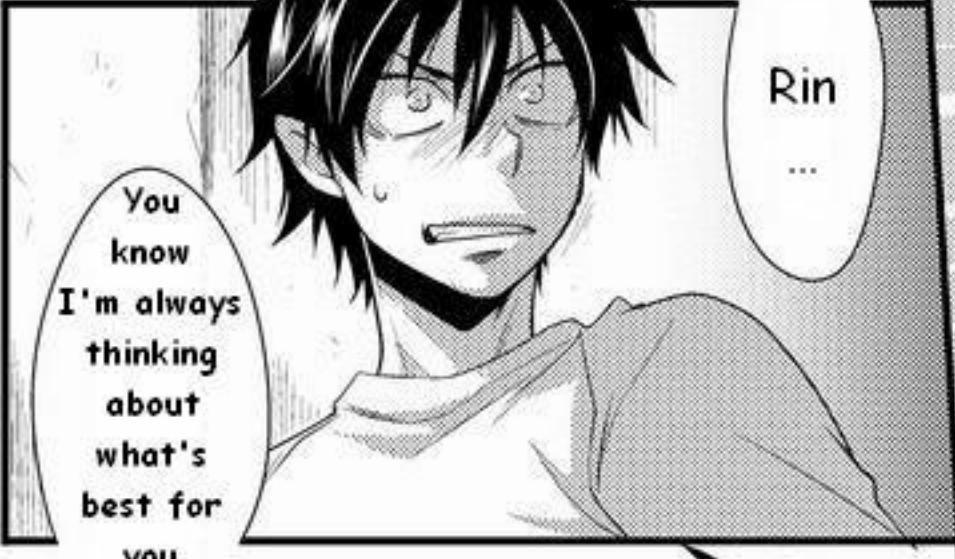

Being descended from Satan, your sex drive may run out of control, and you might inadvertently attack one of the female students

Didn't I tell you I've been your watcher for a while now?

Since that's such a troubling possibility ...

I thought that was only since I came to school here!

Awkward

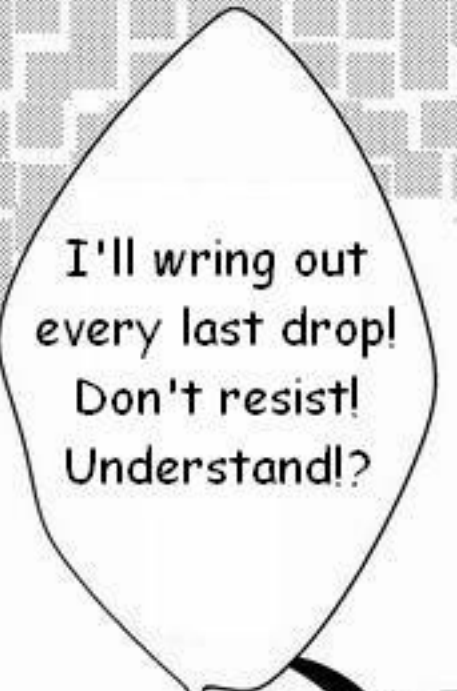

Rin ...

You know I'm always thinking about what's best for you

Eeeeh!? No, I don't understand!

I'll wring out every last drop! Don't resist! Understand!?

And it's difficult for me...

To think of you letting anyone else do this for you

Gleam

ガッ

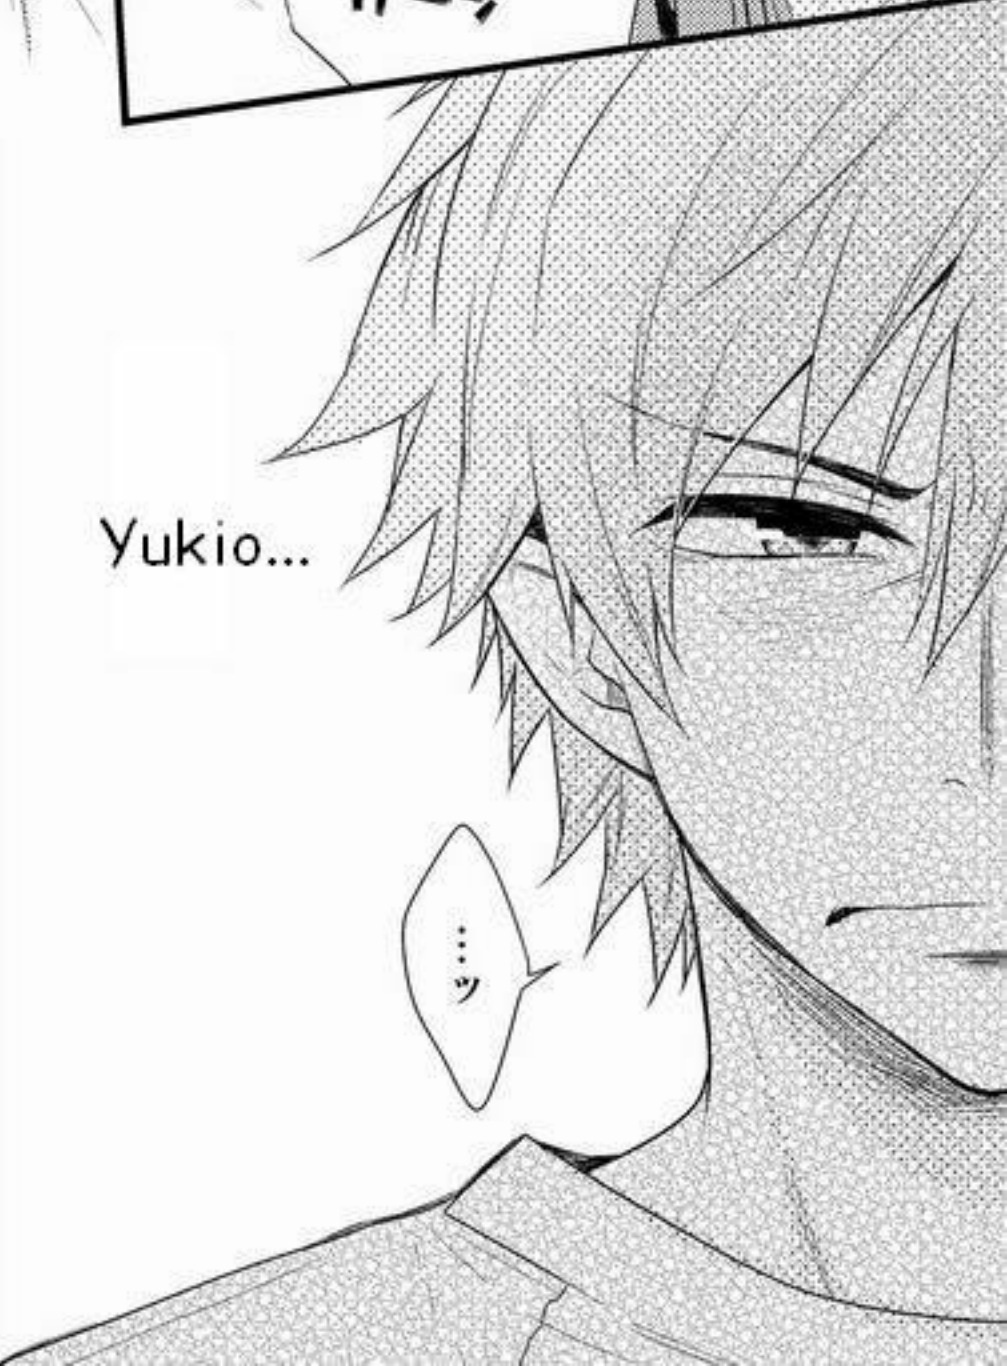

Uwaa! Wait... Yukio! I can do it myse-...

Okay? So here, let me give you a hand to help you through this

Grab

Yukio...

...

I... can't do it any more

Let... Go of me...

Drip

Yu... kio

Twitch

Considering how fast your wounds heal, I'm sure your energy will come back soon...

We can't stop until nothing comes out so we know you're completely empty

Drool

Aah!

Aah!

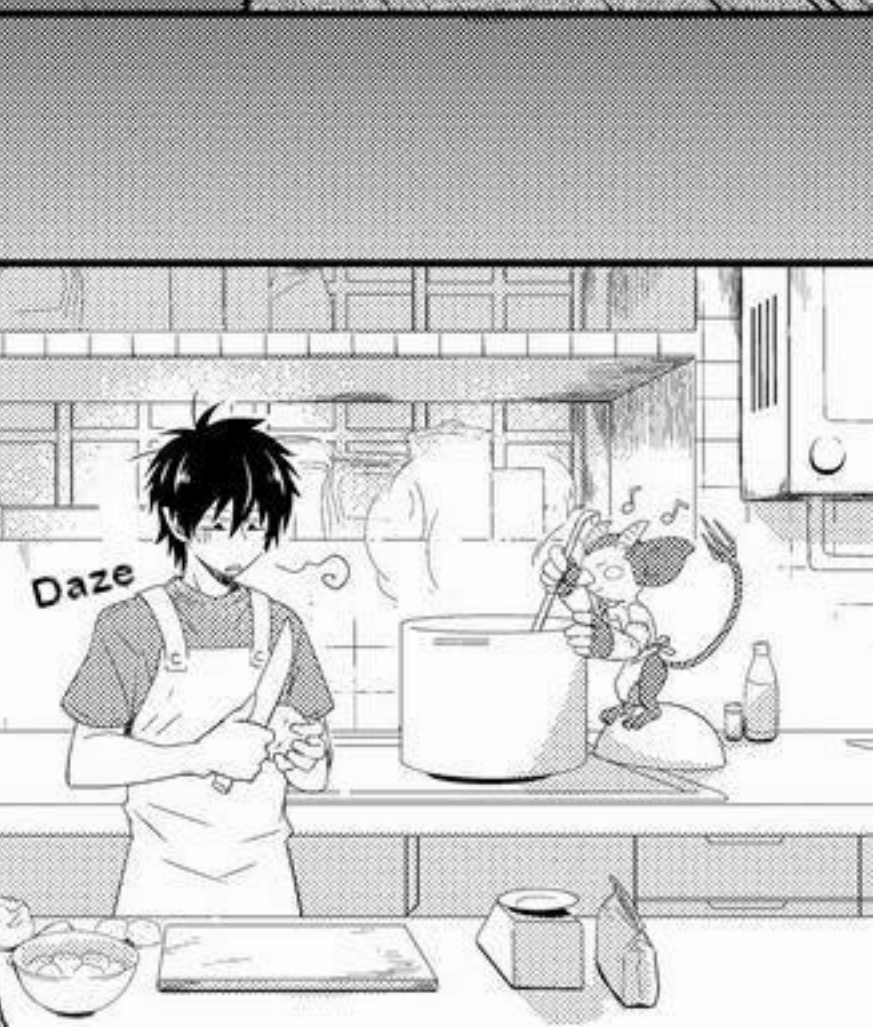

Iih ...

Haa... Aah! Not again...

It looks like you can still shoot, though

Shudder

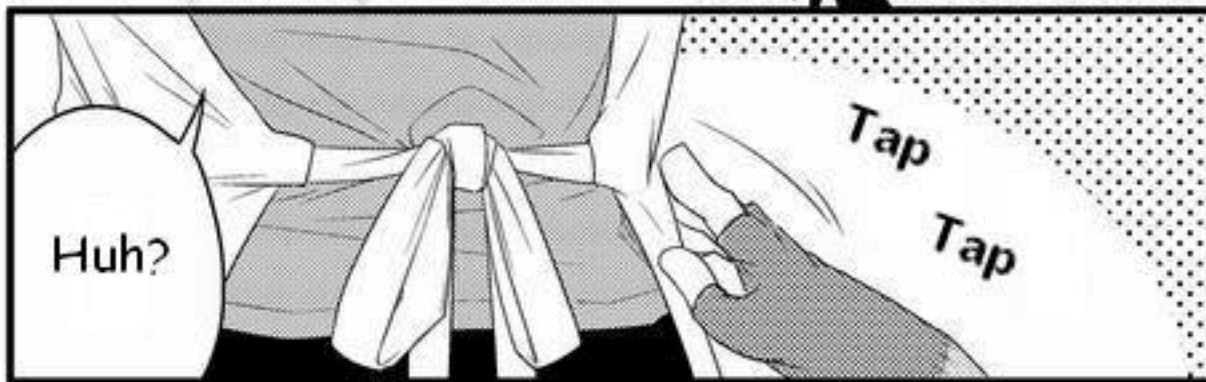

All  
of  
it  
...

This is all  
freaking  
Yukio's  
fault  
too...

I'm gonna be  
so wiped out  
this whole  
day...

And this is  
just after a  
single night's  
marathon...

Oh!  
You're  
such a  
thoughtful  
guy,  
Ukobach!

Drink this!  
It'll wake  
you up!

It was  
Yuki-...

Yuki?

Thanks  
for making  
this just  
for me!

Ah...  
No...

I'd like you  
to get him to  
drink this

I suspect  
my brother  
may be quite  
exhausted  
today, so

Hn?  
I'm feeling  
my energy  
come back  
too!

Uh...  
I'm glad you  
think it's so  
delicious!

I'm asking you  
because he gets  
embarrassed  
when I always  
take care of him...  
So be sure  
to keep this  
secret

Brotherly  
love is...

It was  
really  
good

Thanks  
for the  
soup

Going on...

What is...

It's just  
because...

Of my

Feel good  
to have  
your little  
brother  
entering  
you?

Does

Yes,  
that's right...  
This is all  
because you're  
part demon,  
so you must  
be quite  
reluctant  
to do  
this

Halt

Shall  
I stop?

So  
It-,  
It kinda  
seemed like  
a dream...  
And kinda  
not like  
a dream...

Did I dream of that because I let it build up too much...? Though I am feeling pretty sluggish still...

Yukio is way too normal for that... So... Was it a dream after all?

Ooh, that's amazing  
Oh, just... Researching new anti-demon drugs and such

You've been ordering a lot of herbs lately, but what ever are you using them for?

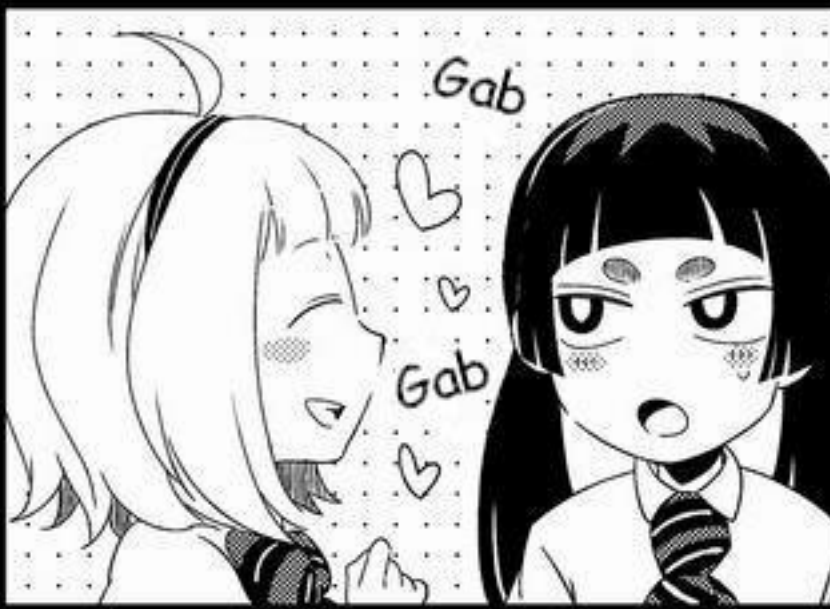

Now that I think of it, Yuki-chan

It's a good thing everyone around is such a simpleton

Yukio is Going (2)

Right, sensei?

There's no mistaking the way your heart beats faster when such cuties are near

Yukio is Going (1)

No.

Like, from your underlings, or the higher-ups

Okumura-sensei, do you ever have trouble putting up with prejudice from your comrades because of your brother?

Dead-pan

Eh?

Or rather, it's convenient

Woah, he actually agrees!

Y-... Yes, that's right...

Just who is he talking about?

Achoo  
Achoo

But it's not just the cuteness. It's the little fangs and the tail, so many different things adding up

Only I am allowed to deal with those who would meddle with my brother

That's... just his egotism

### Yukio is Going (4)

How am I supposed to buy clothes and stuff!?

My spending money is only 2000 yen!?

### Yukio is Going (3)

Make you feel pretty tense

For a young man of your age, seeing such a nice body in front of you must

*\*From episode 15*

It's big...

Then I'll just have to lend you mine

Blunt

I have no interest in those blubbery lumps

This is the first time I've been grateful to Satan

No

Something wrong?

No-thing

For me, my older brother's tender chest is by far the better!

Shirou... Just what kind of training did you give this kid?

I think it/ is fine And I will/ find endless joy If you don't/ wear them

Look at this! My underwear's getting holes too!

Let's just say that Yukio's physique is bulkier than Rin's because of his training.

Okumura Yukio - The haiku of his soul

The hell am I doing this

Why ...

Going this far is nuts

W-... Well I'm...!

I'm much more experienced!
