*This is how this parody book is set up. (R18)

How can you not have even a single porn magazine at that age?

Huh!?

Oh, you're helpless! There you go!

It's ok, take them!

Ha-ha-ha! Don't be shy, cherry boy!

Huh!? I don't need those!

That's my porn collection!

What is this?

OK!?

No way, I can't believe somebody like that still existed...

You idiot, don't say it out loud like that!!

What's the problem with that!?

I'm not just surprised, I'm shocked here...

Oh, this is so lame! *Giggle!

It's not like I'm not interested in it... After all, I'm a man too!

I ended up taking them after all...

And so...

Oh, well...

Well, for the time being, I have to hide them before those guys find them...

I was only against it, because the guys I live with are a real pain in the ass...

Pain in the ass!

Eek!!!

Hey, welcome back!

Uhm.

*Animal Intuition

Erm... Well then...

Ha-ha-ha!

Oh, no... It's just... You startled me a little... After all...

I even went to the trouble of coming out for you...

Why are you so surprised to see me?

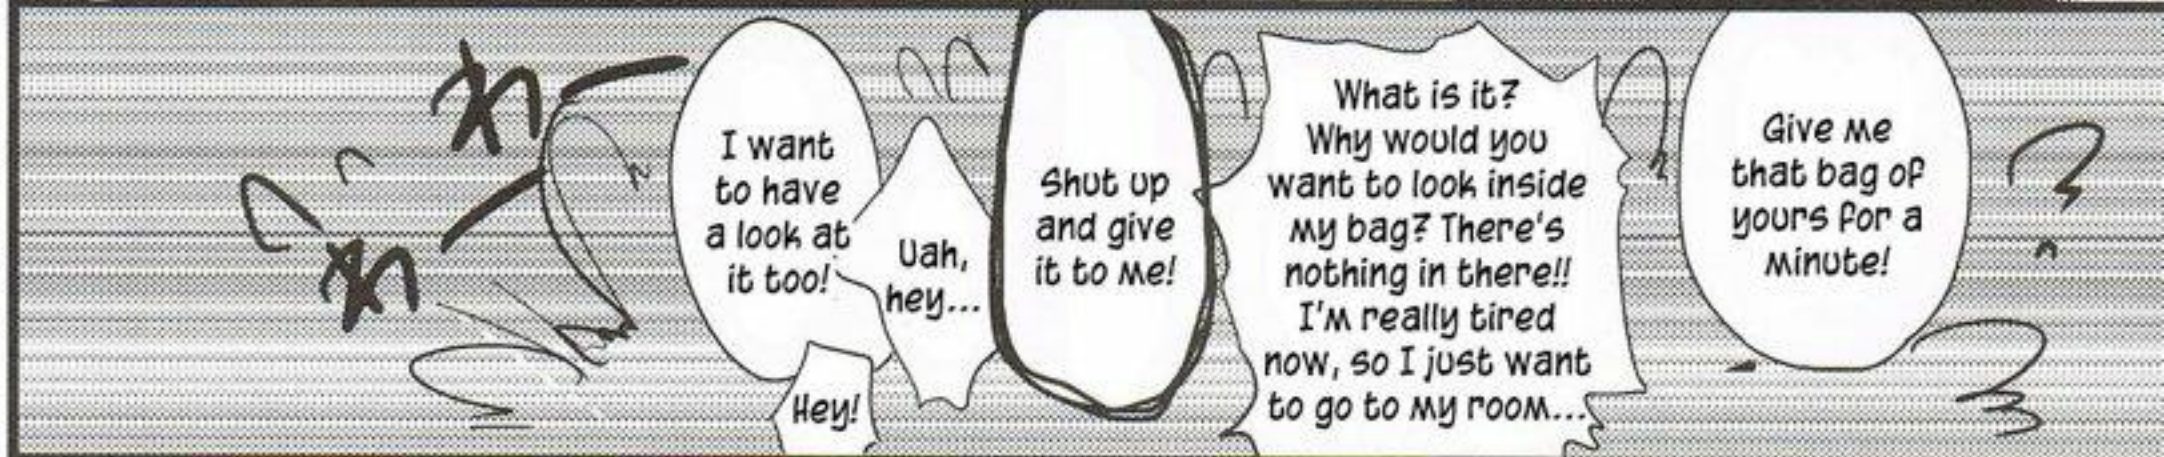

You don't usually do this...

Nii-chan, welcome back!

No, not at all...

You're hiding something, aren't you?

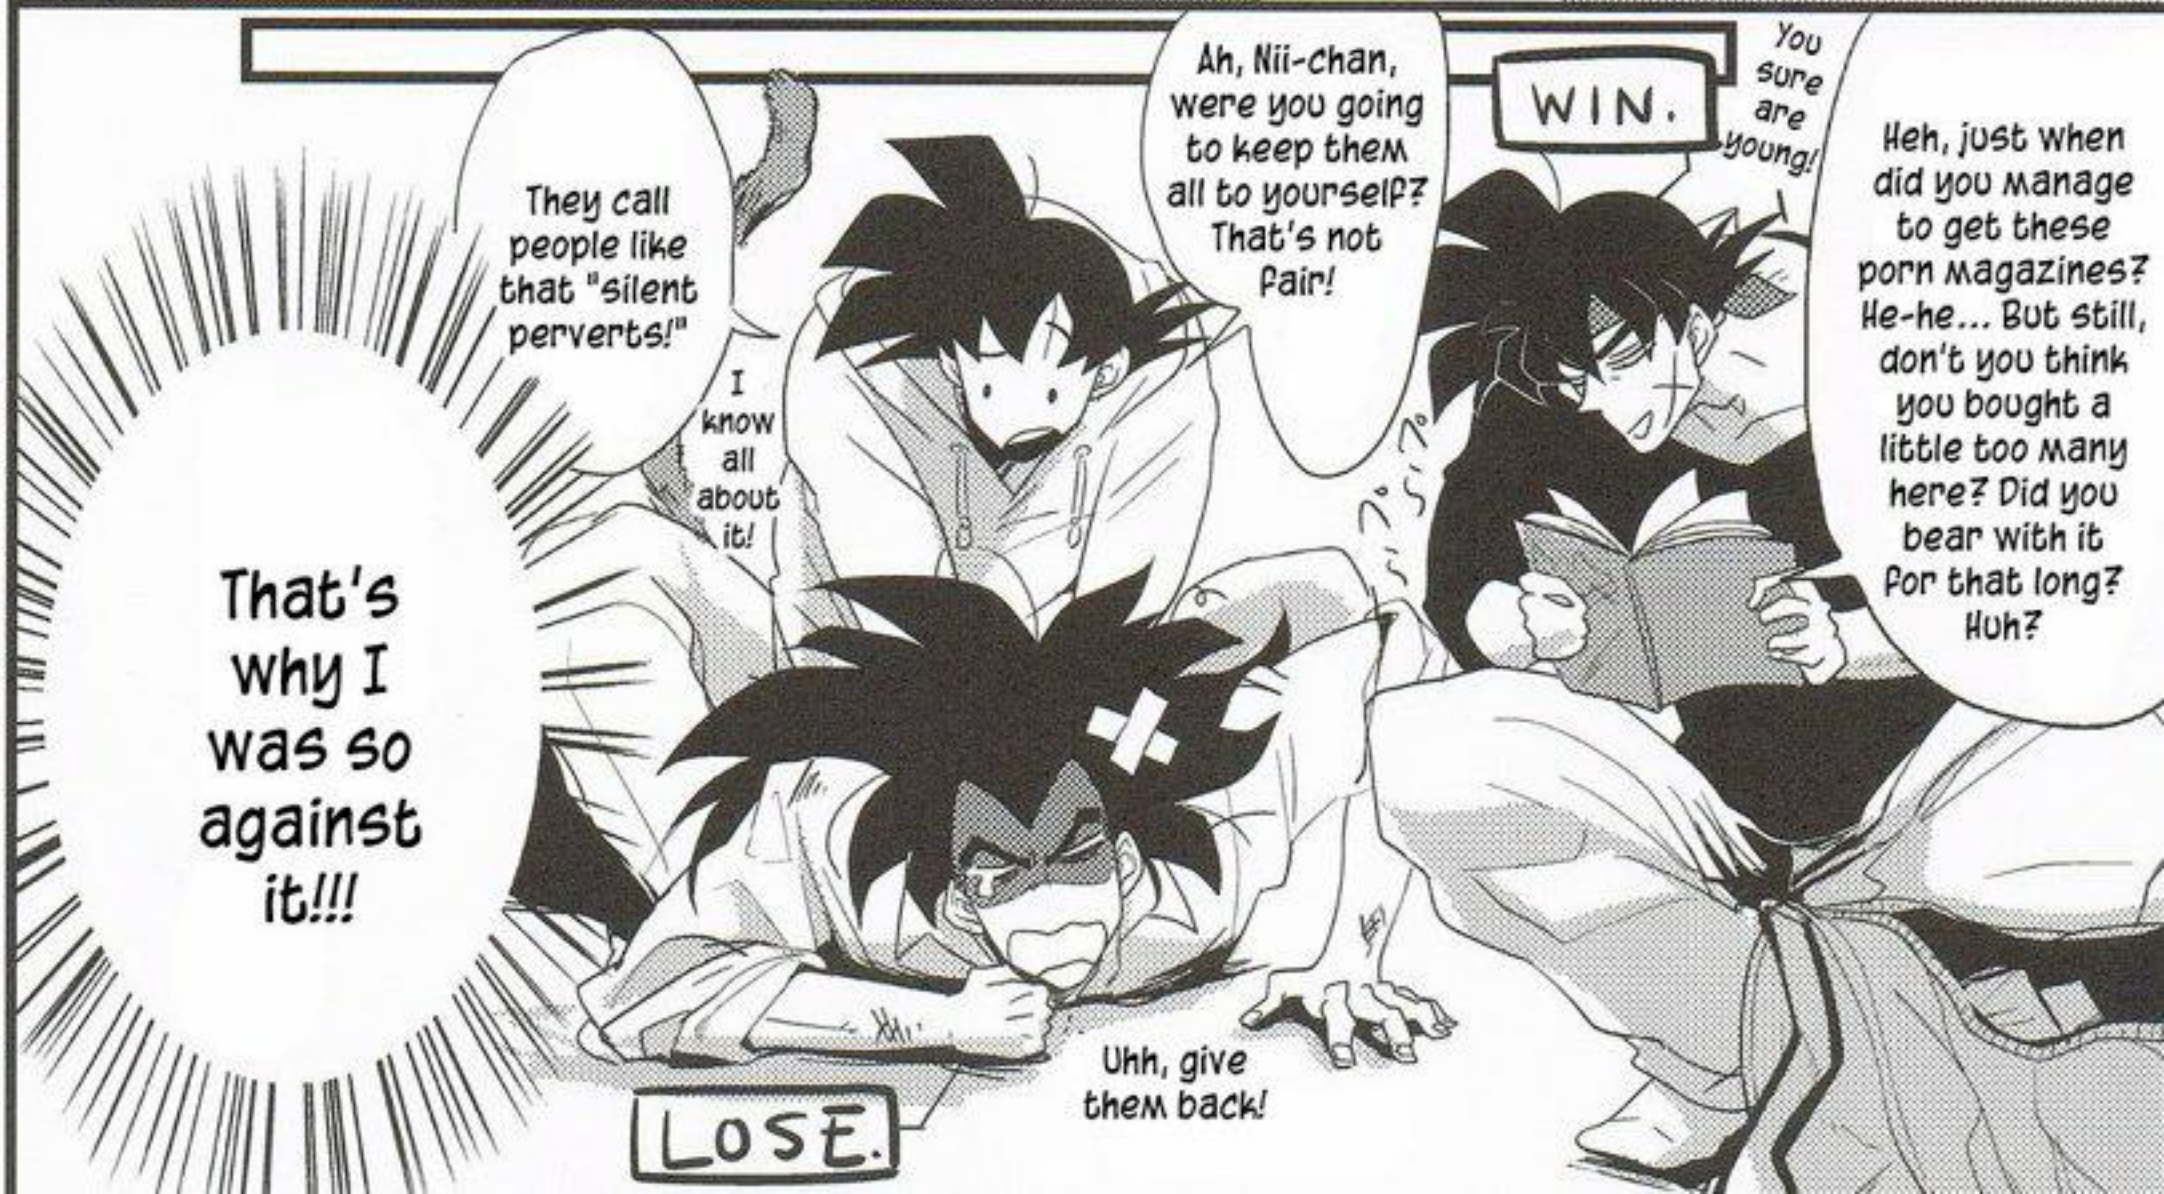

I want to have a look at it too!

Uah, hey...

Shut up and give it to me!

What is it? Why would you want to look inside my bag? There's nothing in there!! I'm really tired now, so I just want to go to my room...

Give me that bag of yours for a minute!

That's why I was so against it!!!

They call people like that "silent perverts!"

I know all about it!

Ah, Nii-chan, were you going to keep them all to yourself? That's not fair!

WIN.

You sure are young!

Heh, just when did you manage to get these porn magazines? He-he... But still, don't you think you bought a little too many here? Did you bear with it for that long? Huh?

LOSE.

Uhh, give them back!

Well, I'm not into this kind of things either, but...

Hey, who ever let you search my bag every single time!? Give them back, you assholes!!

Now, what is that? So, you like cosplay?

Eh, Nii-chan? I personally don't like cosplay...

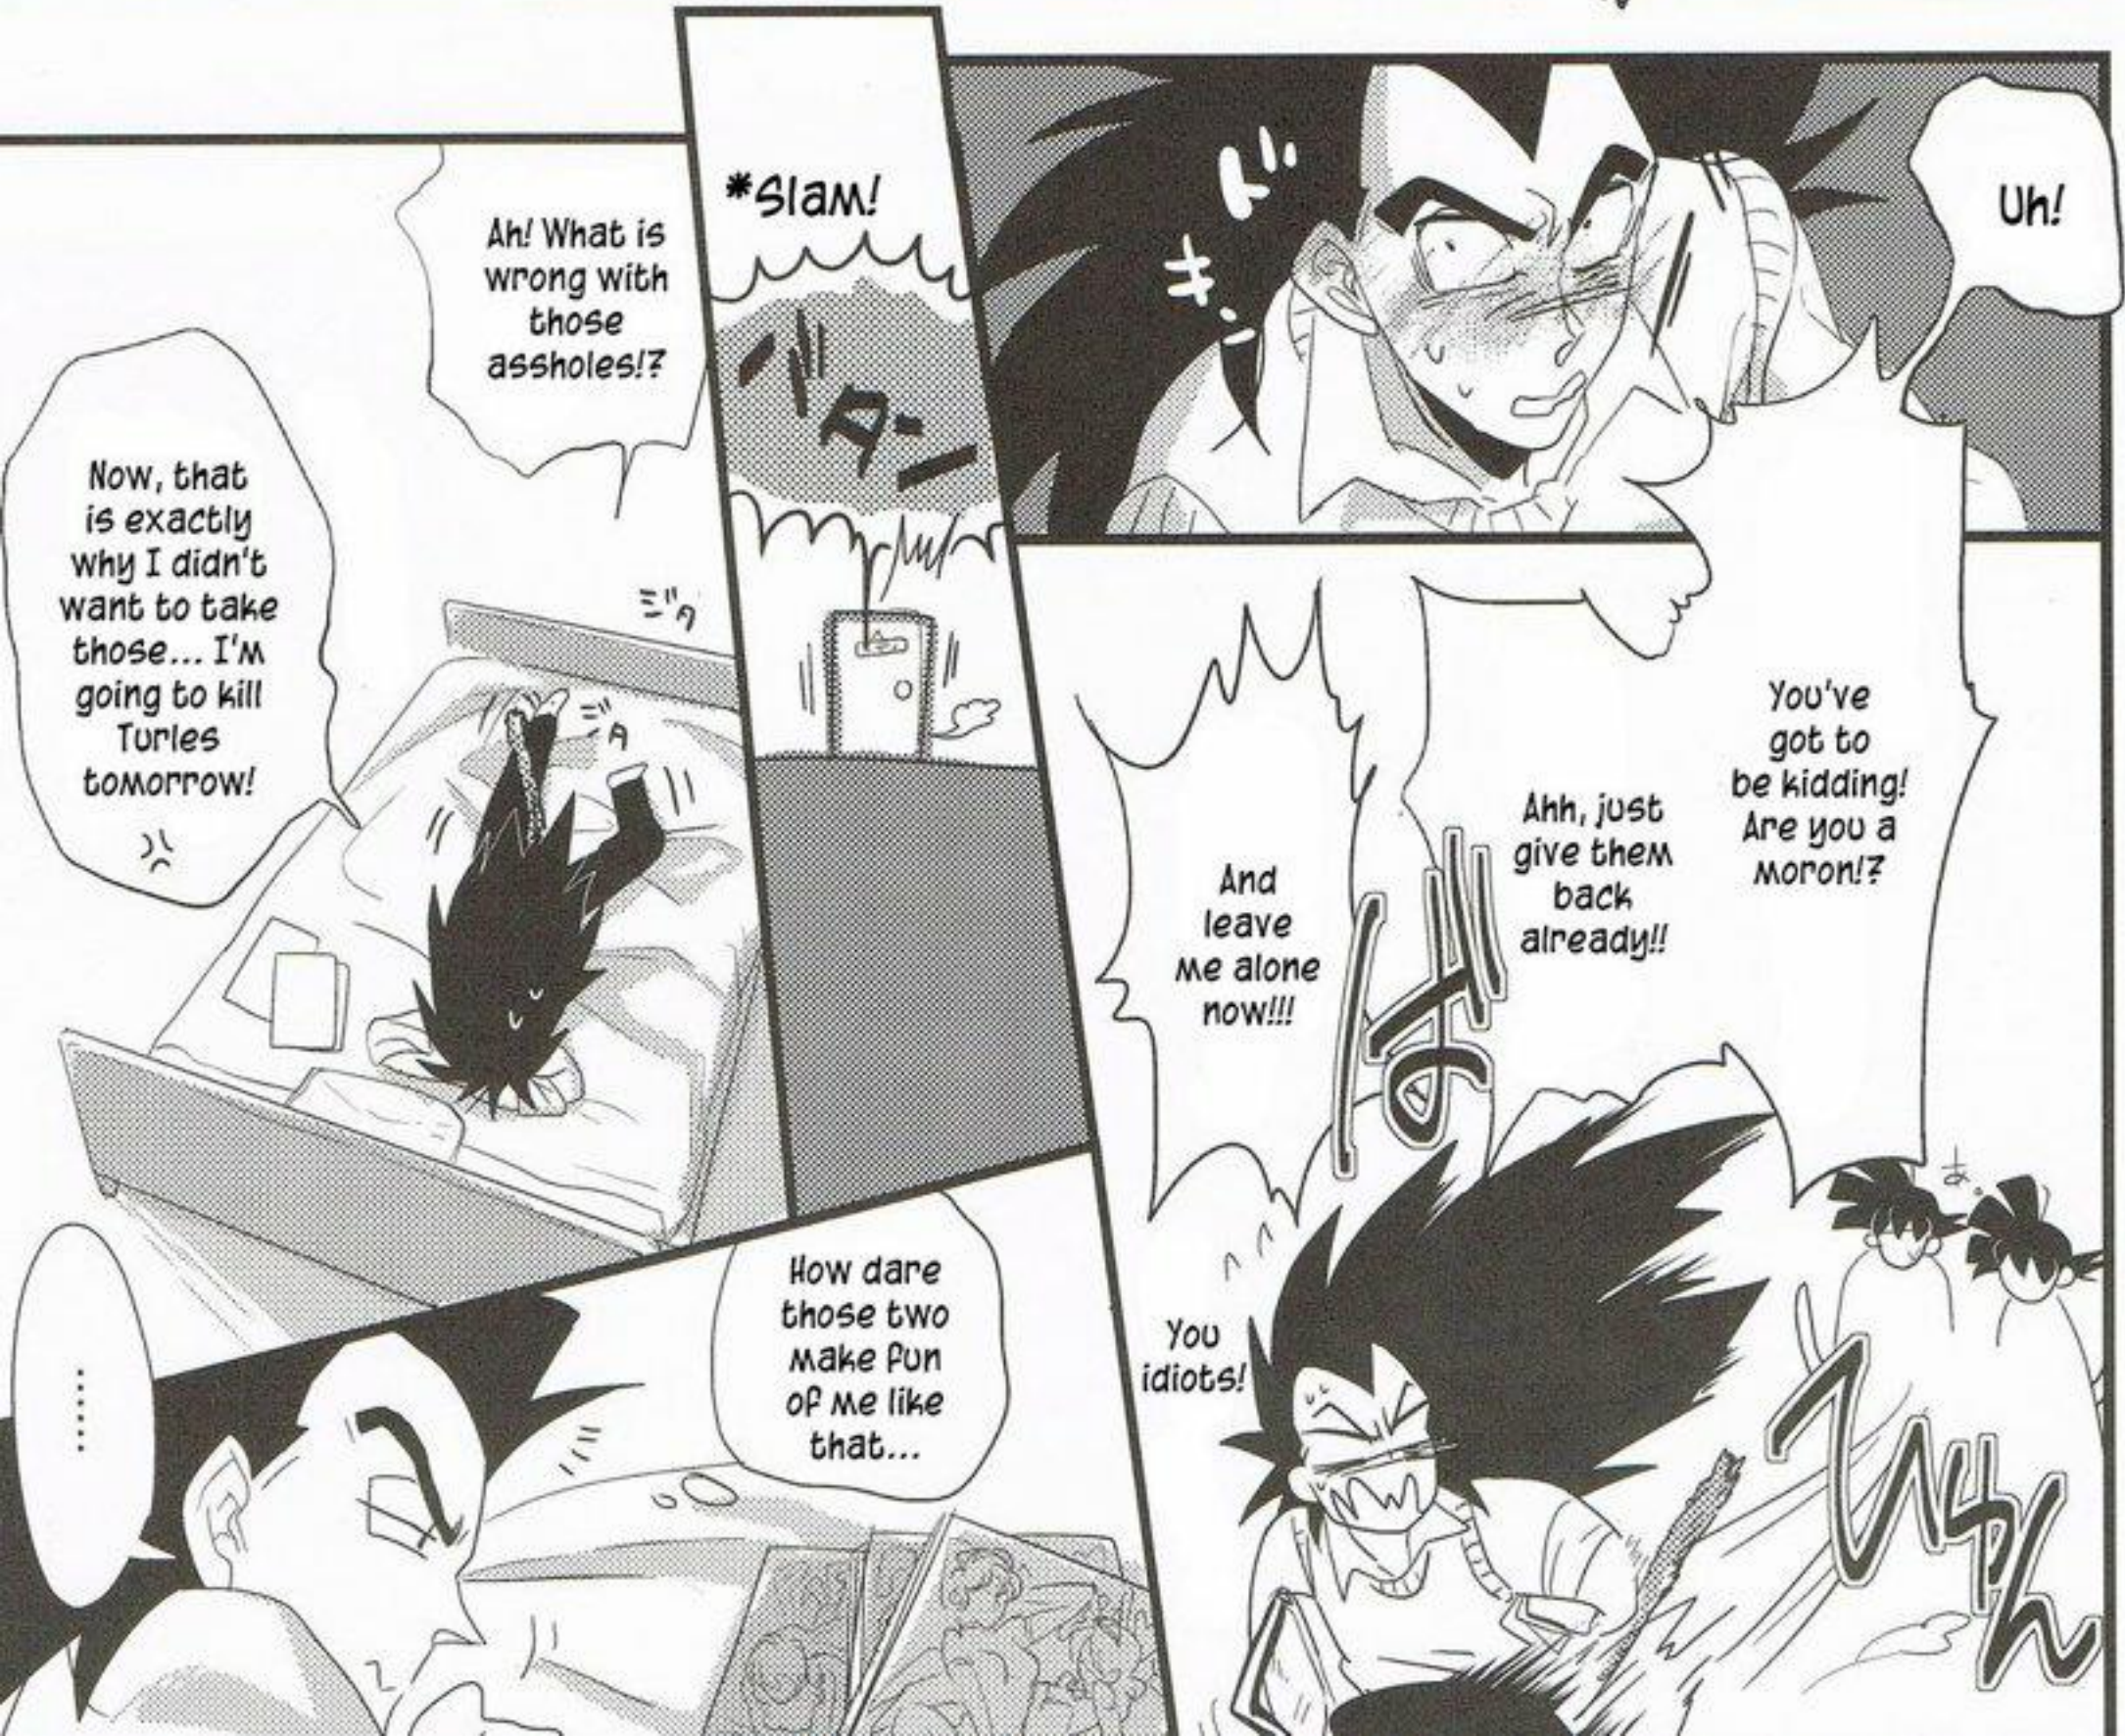

Listen to what I'm saying!!

For the next time, you know!

He-he... IF you like it that much, why don't I prepare a dress for you too?

Wha... What?

You look weird...

Ah! What is wrong with those assholes!?

*Slam!

Uh!

Now, that is exactly why I didn't want to take those... I'm going to kill Turles tomorrow!

You've got to be kidding! Are you a moron!?

And leave me alone now!!!

Ahh, just give them back already!!

How dare those two make Pun of me like that...

You idiots!

Cosplay, huh...

What the hell was my dirty old man thinking, saying he would prepare a dress for me too?

Ohh, now she's my type...

He's not even into this stuff...

Was he thinking about making me wear it? Like hell I would... Idiot!

Besides, what's so fun about making me wear it?

Huh?

What the hell am I saying here? This is just disgusting...

げんたい

Although well, it's actually unexpected that he's not into it...

He looks like someone who should like this stuff...

This is bad... This is really bad!

Uh!

He-he-he... He-he-he-he!

Please do something about this!

Nice to meet you all, My name is Kube. Thank you for getting this far. How did you like it? I came up with this story after giving in to my own desires, so when I was writing the sex scenes at the end, I felt like I might be the only one who will want this book. This is all really embarrassing, so if you take this book into your hands... you will be like a god to me. Thank you so much! (Laughter) I know I didn't cover everything, but I hope I was able to provide you all with some good female moe... That's how I see it. Well then, I hope we will meet again... And with that, I shall sneak out of here. Kube.

Bonus. (I was supposed to make this illusion a reality).

Dad: It's still better than having some nasty bug around.

How can you not get a wrong idea from this!?
