Preface

Hello! Minakami Kurena of the Kumikae DNA circle here!

This time, I decided that I wanted to continue the story of a book that I released at a last year's event. It was called *After School Secret* and involved both Aikawa and Shion.

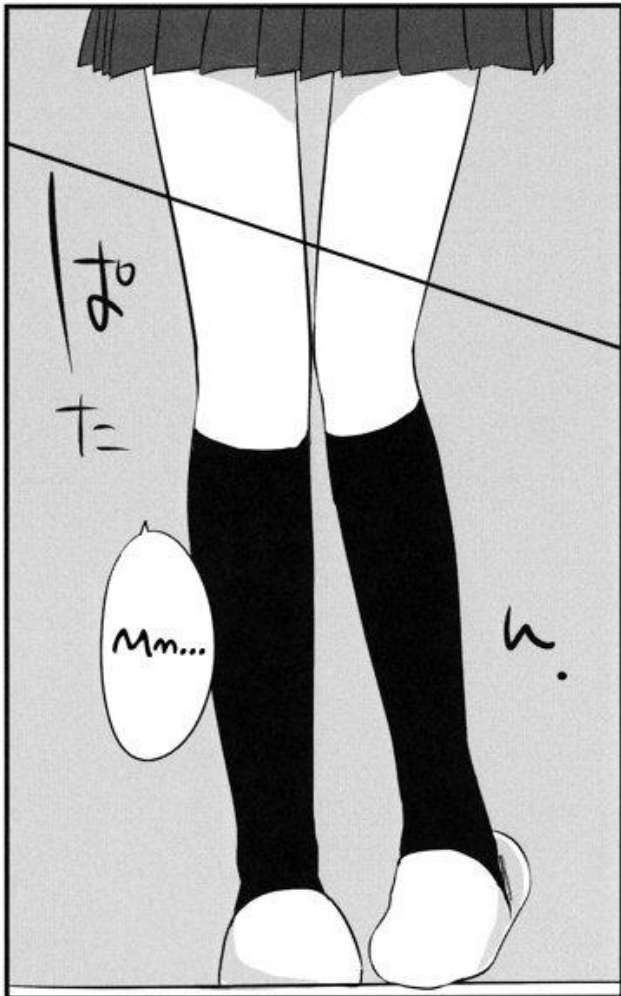

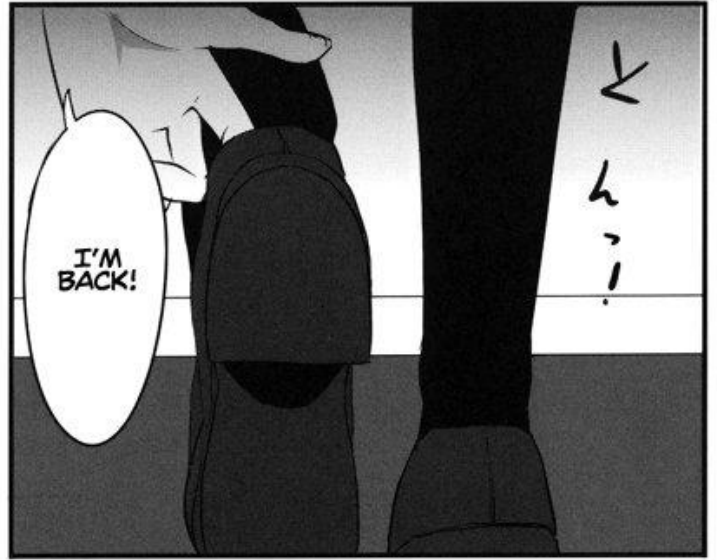

Be sure to check it out if you haven't read it already.

My guest this time is Isou Doubaku!
Unfortunately, they have not read *Prunus Girl* yet, so I made them read some!
Maybe they'll finish reading the manga on their own~

Well, that's all that I wanted to talk about this time!

Postscript

Hello again! Kurena here.
Thank you very much for picking up and
reading this book!

I'm sorry if the cover was a bit misleading.
The book is a bit different than what's depicted on the cover...
This book immediately follows the story of the book "After School Secret."
I have a feeling that a lot of people have been waiting for this one.

I picked up the Prunus Girl Drama CD and, unfortunately, there
were not that many scenes featuring Kadoyama...
I really wanted to feature him in this book.
He's such a cute boy!

I wanted the setting of this book to be in a closed space.
I considered a gymnasium warehouse and even a cleaning closet.
In the end, I went with the bathroom idea.

I'm really thankful to MGW for making the beautiful illustration
on the next page. I hope you enjoy it as much as I did!
