Chapter 1: A different game

There's going to be a storm tonight...

Maybe you should spend the night here?

Awesome! Does that mean we can play all night?

Okay, but not too late  
Don't forget you still  
have school tomorrow

Why don't you two  
carry on playing?

OKAY!

And change into your pijamas.

I'll call your dad after  
doing the dishes

Mom will hear us....

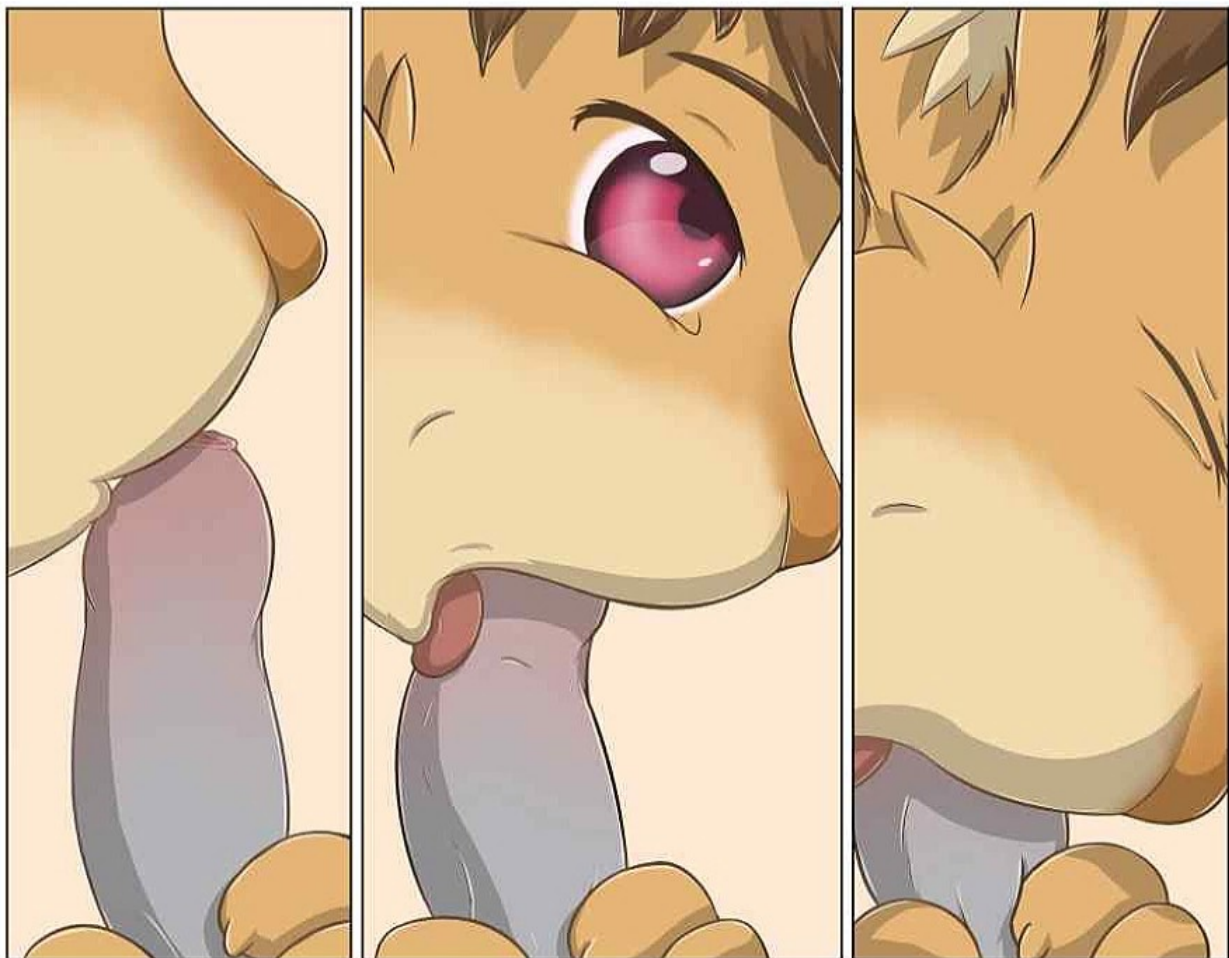

Because you're such a loud cat

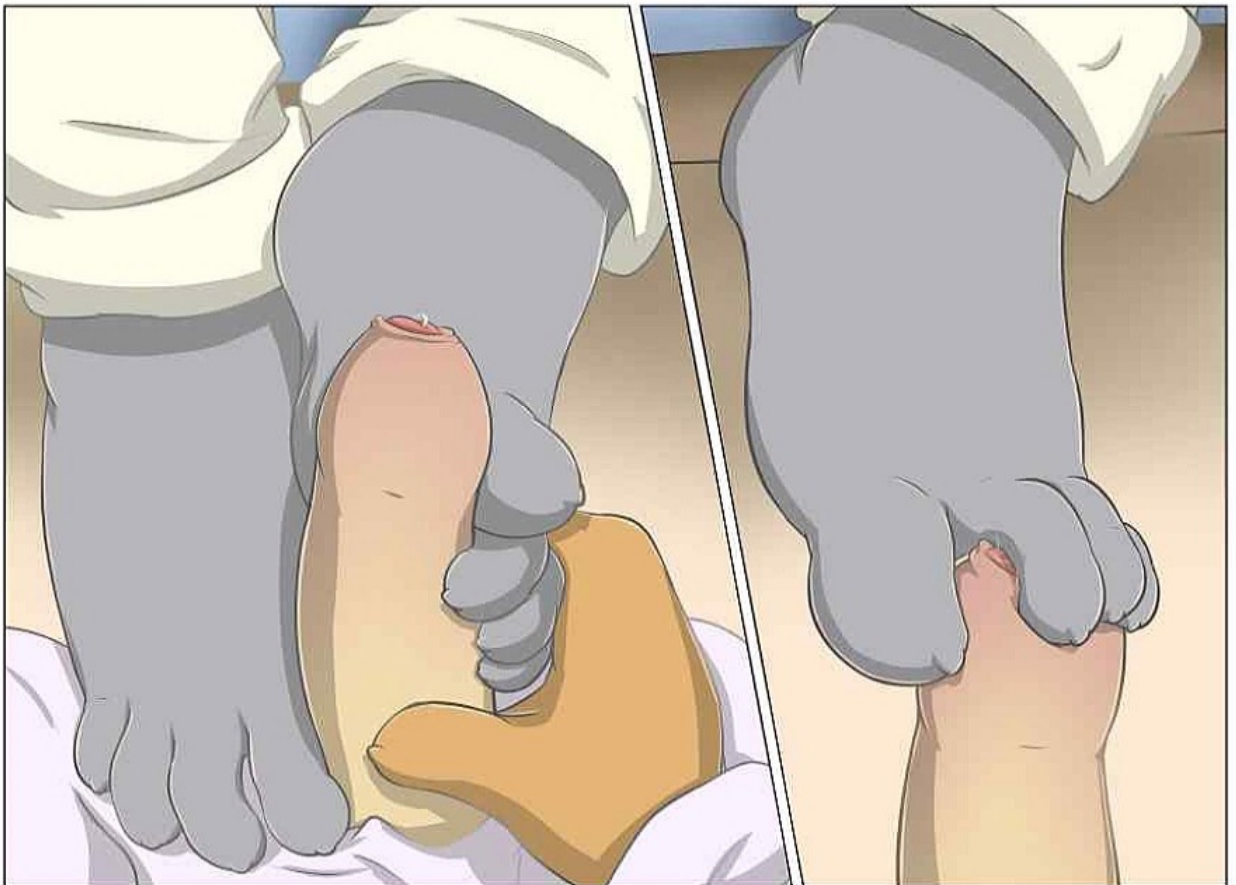

Now, will you be quiet this time?

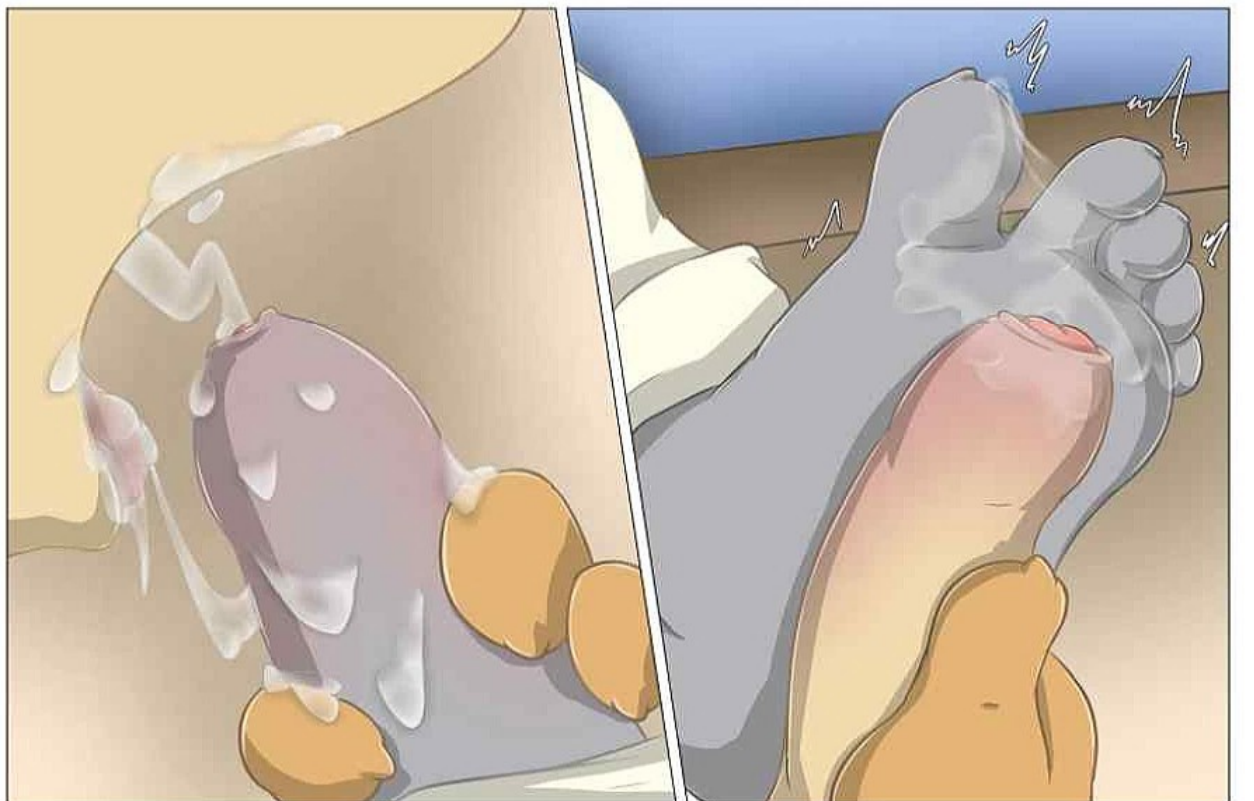

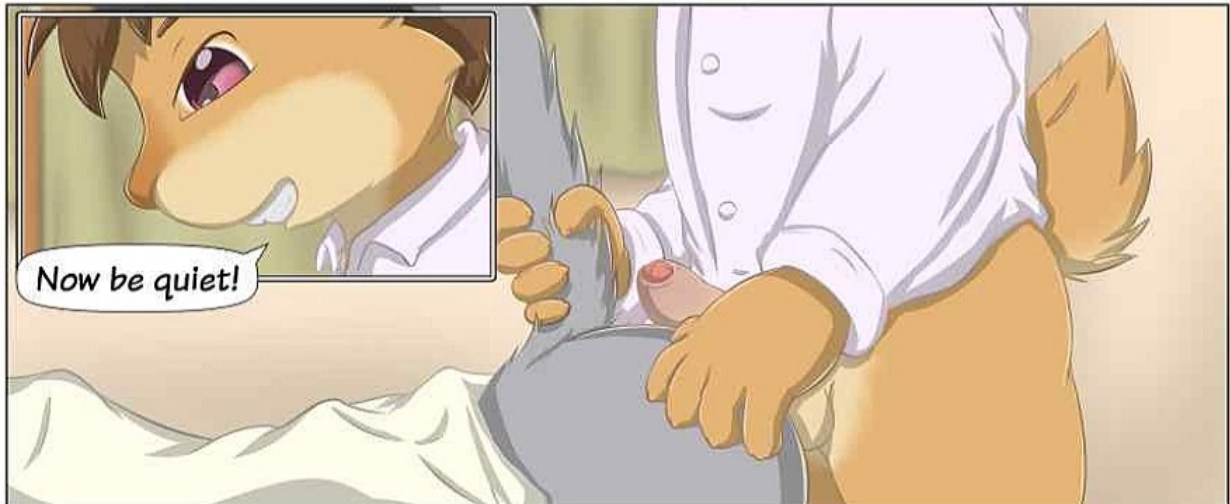

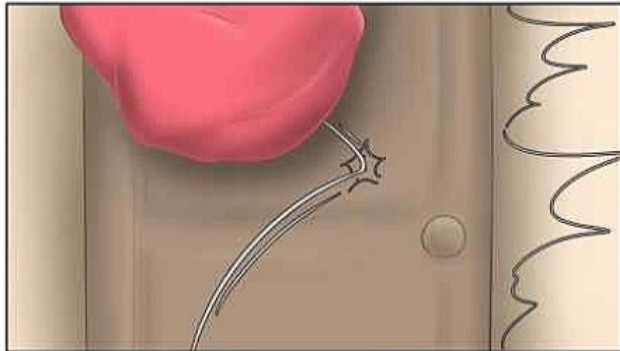

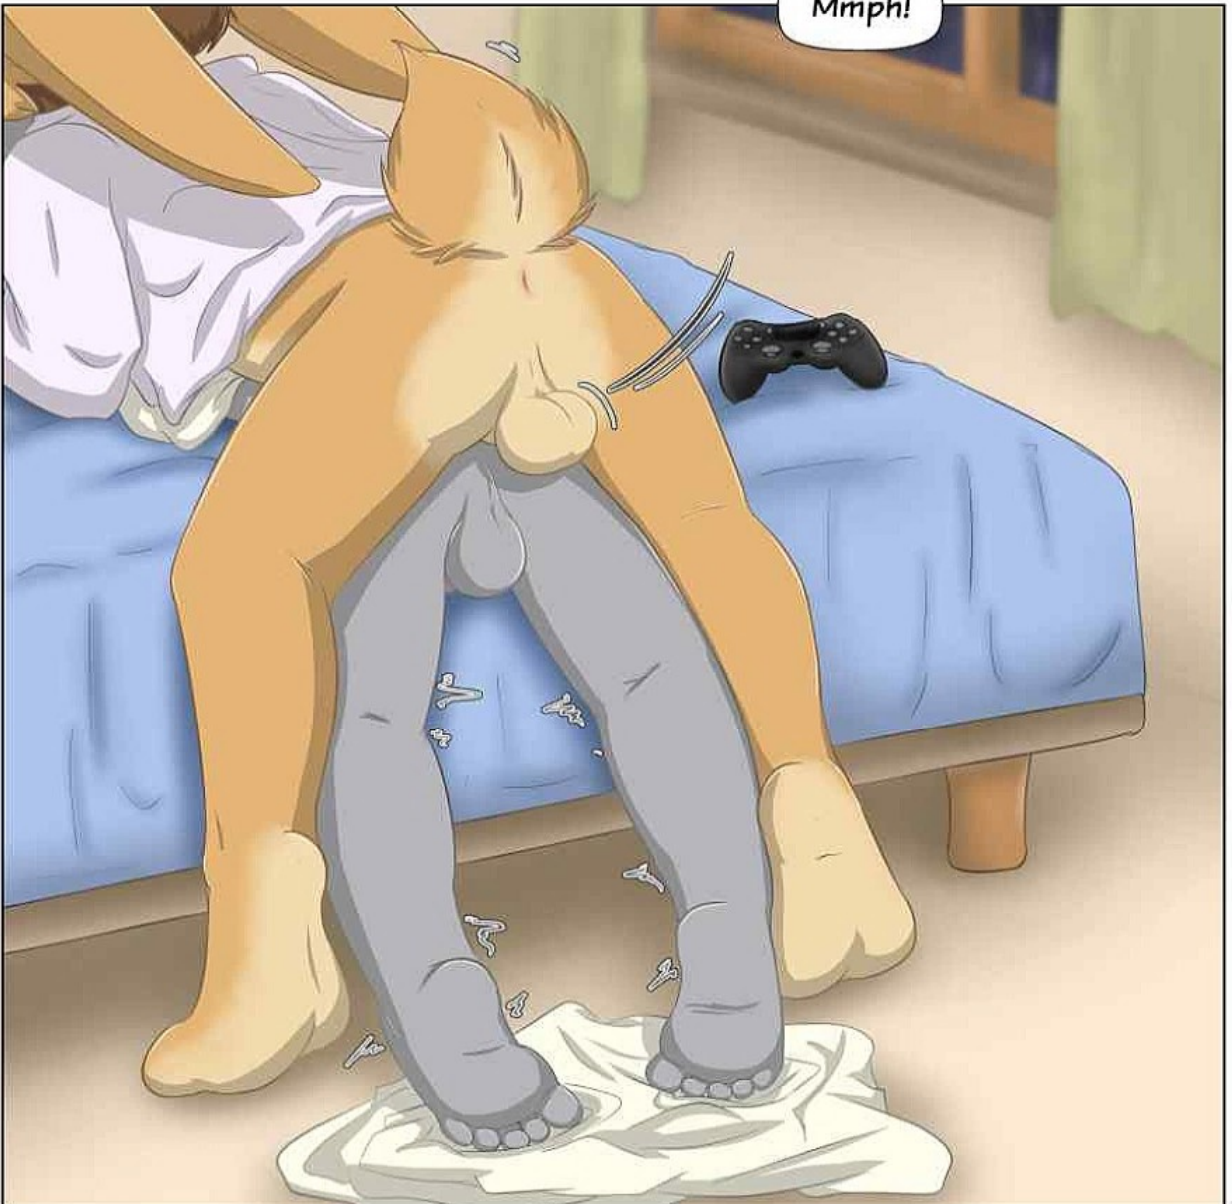

Hnnn-nh!

ahh...

hah...

Sorry ♡

I'm sorry i was rough with you

If you stop pouting I will... uhh... hmm...

I will give you all the footrubs you want for a week!

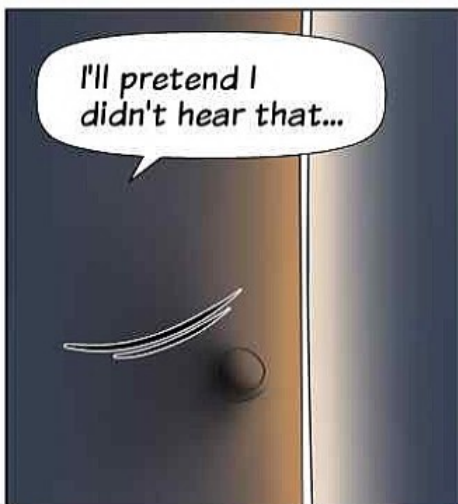

Reaaaally?

Sure!

I'll hold you to that then

Chapter 2: Unexpected visit

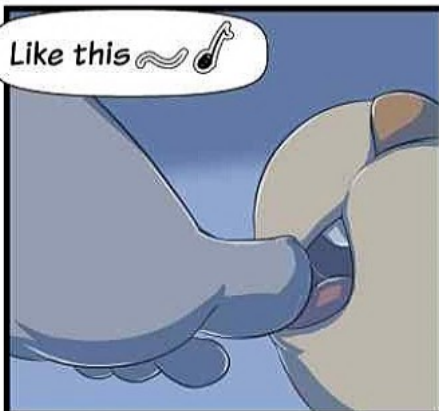

You need to stop waking me up, you know?

It's getting annoying!

How about I start waking you up too?

Like this ~~~~~ 🎵

Wake up Bramble! Turn around and sleep properly!

What is it?

I saw a monster outside!

It's just a nightmare

I was awake!

Come on Kamui...

I'm not lying! Please! Come with me!

\*sighs\*

Okay, you win... Let's go check

Why are you grabbing your phone?

Because it's dark! I don't have your dumb night vision.

Night vision?

If we wake up your mom, we'll be in big trouble

I'm gonna show you that there is no monster so we can get back to sleep

We should be hiding from the monster...

Monsters don't exist!

Come and see for yourself

Bramble...

We can't leave him outside!

I know... but, my mom...

NO! MOOMBA! STOP!

Now mom is REALLY gonna get angry!

Boogers!

Shut up! Just take the moomba upstairs and dry up

I'll clean up the mess here. There is a mop in the kitchen.

We are gonna get so grounded

Come on moomba

Stop squirming! How am I supposed to dry you up like this?

There you are!

Quick! Give me your pajamas!

What are you doing? stop it!

YOU stop it!

We have to dry the pajamas up!

If we leave them on the heater they'll be dry by morning

How's that going by the way?

I'm almost done... He is just too big

Yeah... he is...

Which reminds me... I got an idea

Uh?

Come with me

Moomba ~♪

Wanna warm up  
in bed with us?

There is no time for that!

There is always time for that!

Stop worrying so much.

\*climbs up\*

Besides, how can you say no?

\*purr\*

He has come from very far away  
in the rain, looking for us.

We should give him  
a warm welcome

Did you escape the petting zoo because you missed us?

Mister Farrel must be really worried...

I'm sorry we haven't visited you

It's really hard to get there without our parents knowing!

We were lucky last time.

Look! He is ready for you, buddy!

Me!?

It's your turn to go first!

And then you can get him all nice and ready for my butt!

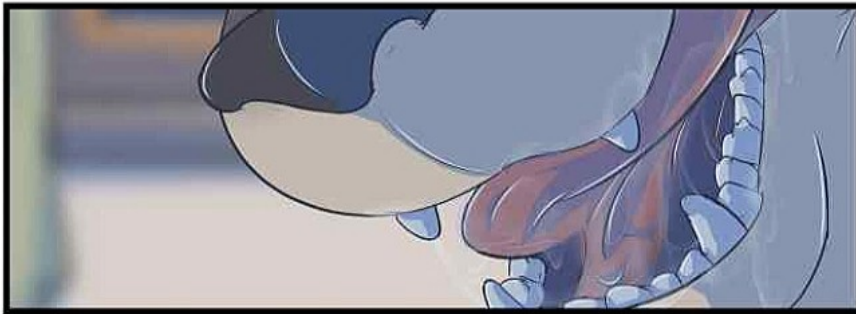

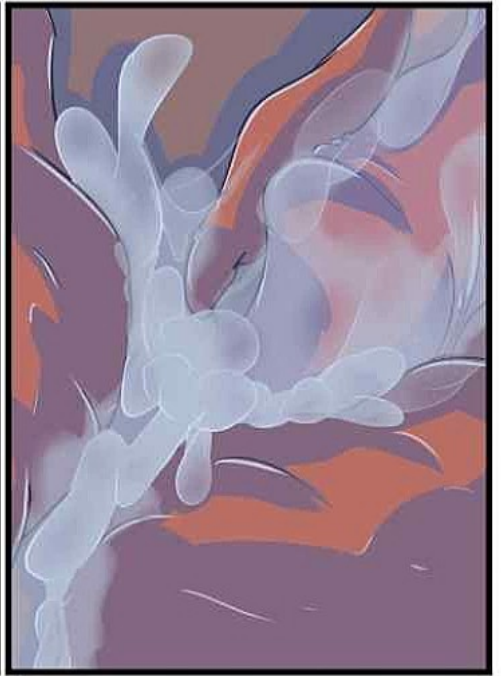

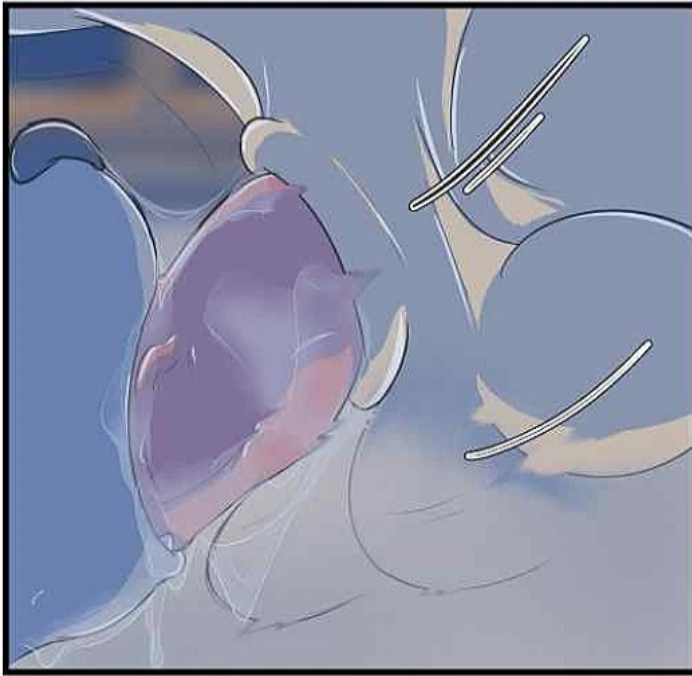

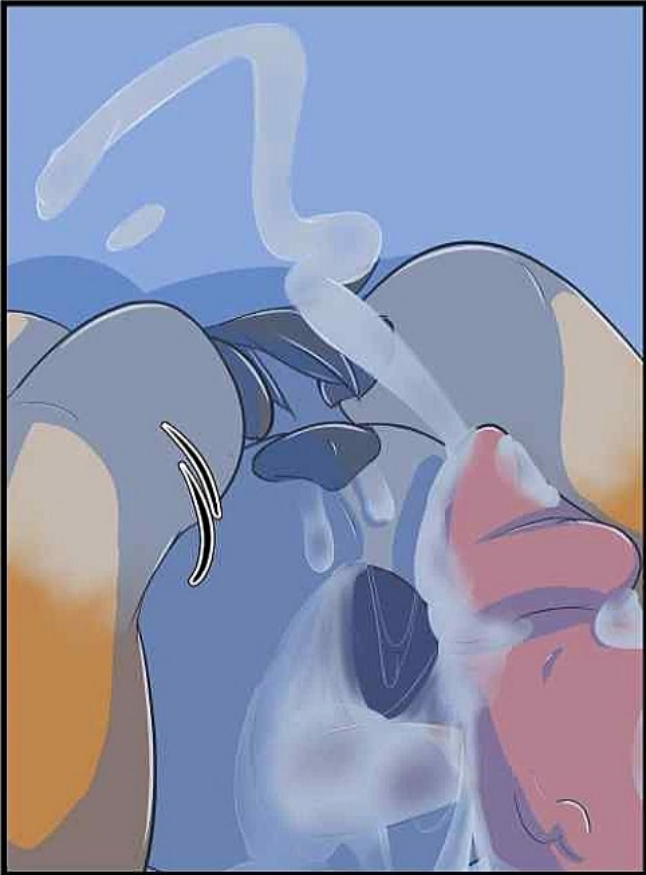

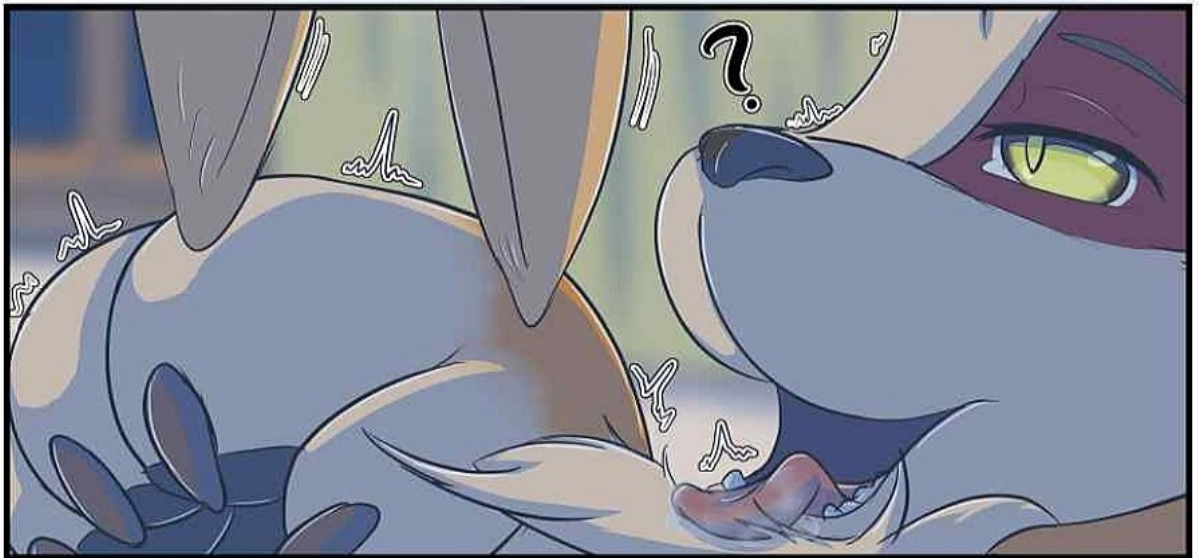

Straight to get some kitten paws? I'm not the only one then

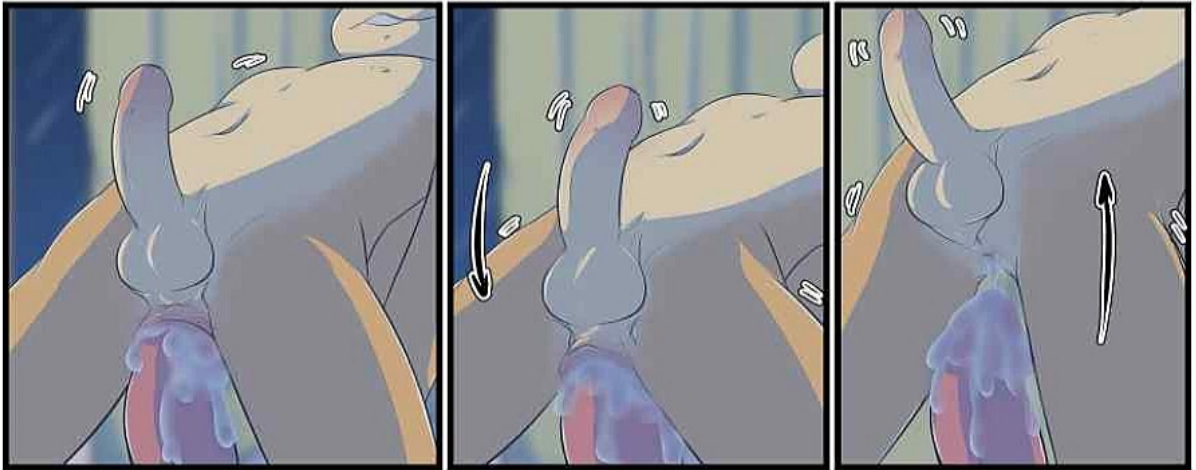

Uhh? What now?

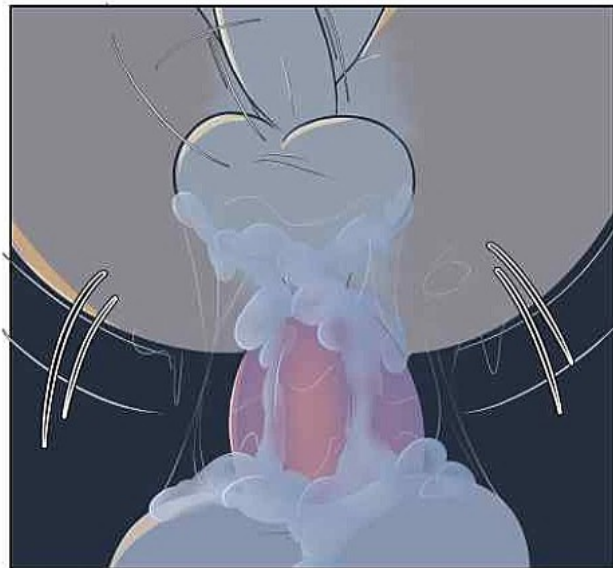

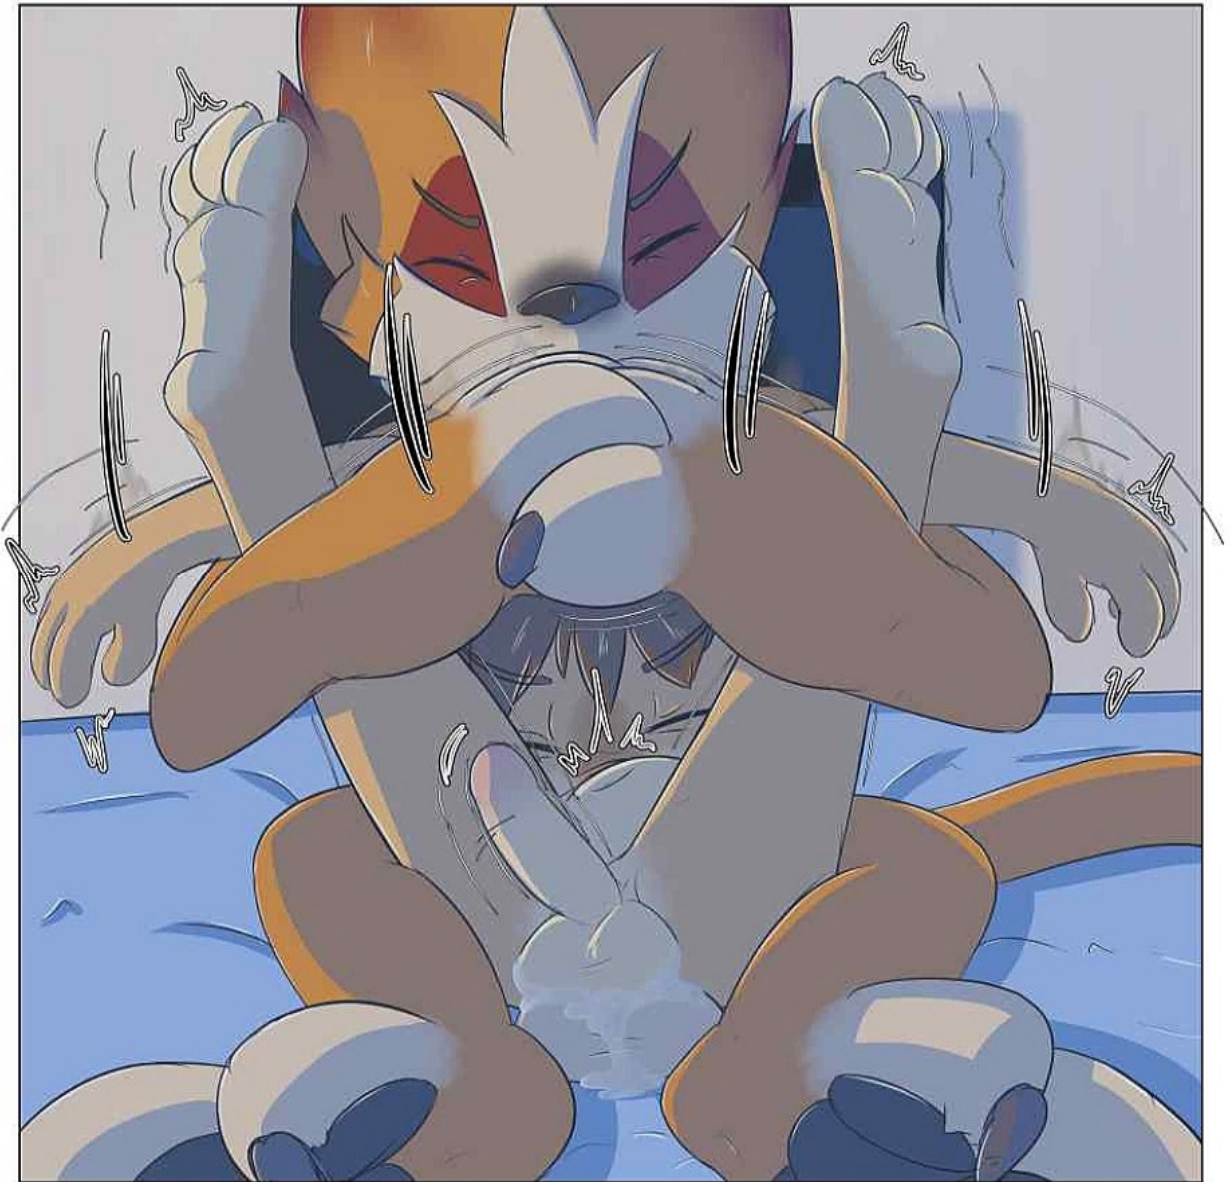

Wow... slow down there, big boy!

Ahh...

I can't move...

Because you're a baby cat?

No! because his willy is huge!

Come on, give it a try! Just the tip!

Just the tip? uhh...

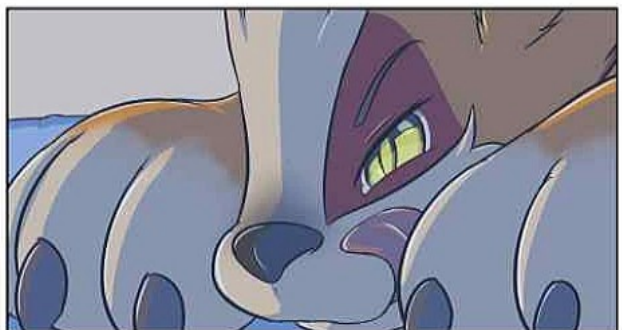

Yeah, leave it to me!

Hey moomba 🎵 ~  
Want to have another go?

But only the tip, okay?

Okaaay ~

Wait! I'm not so sure about this!

It'll be fine! Just stop moving so the moomba can aim!

Let me out Bramble!

Shh... You're being noisy again

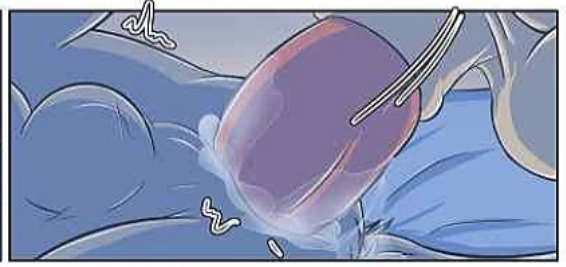

!

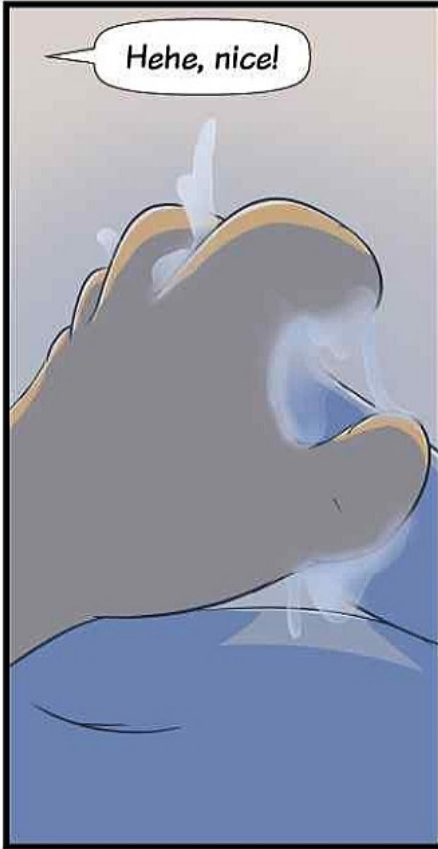

You're going to wake up your mom

Here, let me help you with that

Wasn't that awesome?

I said stop! Why you never listen to me!?

Because I knew you would like it! And I have the proof!

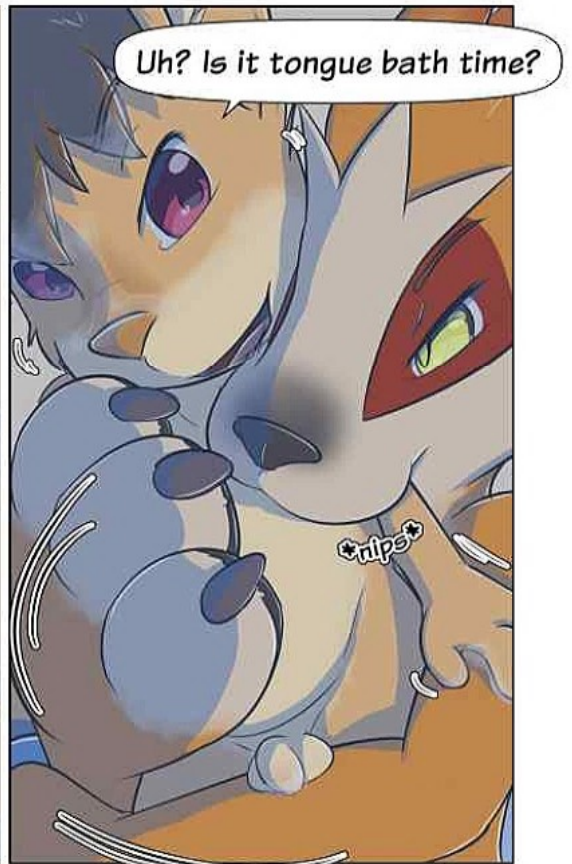

That still hurts though...

Oh, don't be such a baby cat!

If you stopped complaining and let things happen, you would have more fun

Uh? Is it tongue bath time?

Moomba ~~~~~

The bunny has been mean to me the whole week.

Will you help me teach him a lesson?

Oh wait!  
You're right!

Two cats are forcing me to have a great time!

Somebody help me!

You're less annoying when you're not talking

And you think you're in control  
~~~~~

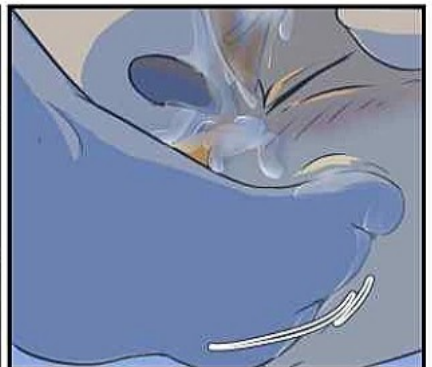

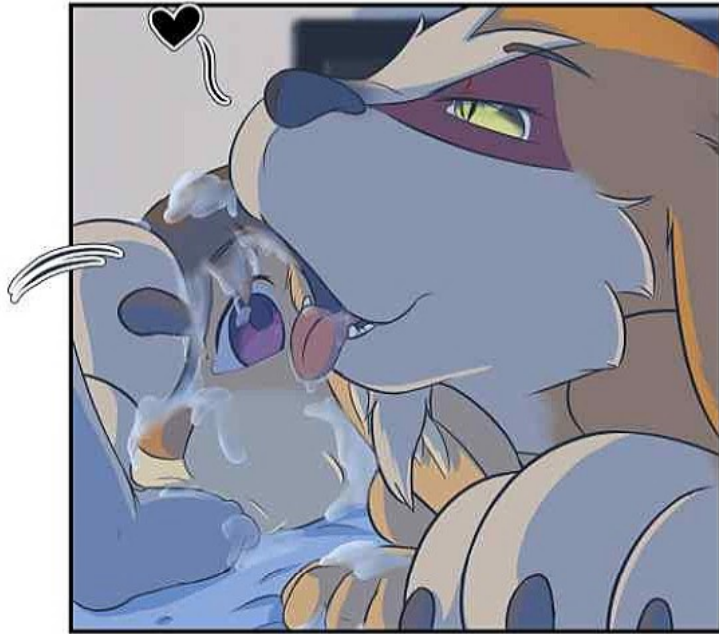

Several rounds later...

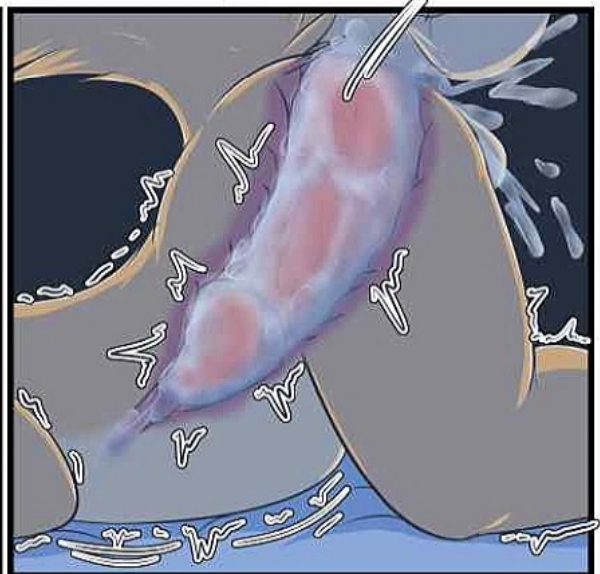

Having a good time yet? He he

Feeling good?  
Balls finally empty?

Mmph!!!

Why don't you help  
the bunny clean up?

Oh... I'm sorry!  
I went too far

I just wanted to teach you a lesson
